This is an AMAZING book! It is like a bible for Mompreneurs. I was so thrilled to see such an amazing collection of stories and the knowledge in one book of successful companies BIG & SMALL! Why travel the road of entrepreneurship alone when there's a useful guides showing you how to do it. But, also giving me tips on how to manage being a #MOMBOSS with balance, guidance, and know how to have the greatest odds of success.Thanks Nicole and Momtrends for shining a light on all of us hard working mamas big and small!!!XO- Shaunna

Spot on.Reading MOM BOSS is like peeking into a window as a highly successful entrepreneur makes the magic happen. MOM BOSS offers practical tips on topics such as making partnerships work and asks questions like, "Ask yourself - What are you willing to sacrifice to make your dreams come true?" It begins with stories of success and ends on a high note: "Mom Bosses have to master the art of letting go." Filled with reminders and tidbits to make you think and push your potential, this highly organized and information book is one to keep at the bedside when you need a boost. Nicole did it, and she's telling us how we can do it too.

If you are a Mom and are thinking of starting your own business, or already have your own business, this is a MUST read! Nicole Feliciano is an inspiration as she shares her story of how she built her company and her brand. But, much more than that gives you tactical and actionable steps on what you need to be successful in your own business.
