The Crayons' Book Of Colors

Synopsis

The crayons are back and brighter than ever in this board book of colors from the creators of the #1 New York Times Best Sellers, *The Day the Crayons Quit* and *The Day the Crayons Came Home*. It's Duncan's birthday, and all the crayons want to make him a card! With their fun and quirky illustrations of firetrucks, dragons, and (dare we say?) wheat, these creative crayons each have something different to contribute. When they come together, they can make something truly spectacular to celebrate Duncan's birthday! From the creative minds behind *The Day the Crayons Quit* and *The Day the Crayons Came Home*, comes a fun board book introducing young readers to colors.
