Imagine yourself with the "upper hand" in almost any given situation. Dr. Lieberman shows you how with this excellent treatise on the psychology of influence and persuasion. Using an eclectic collection of techniques, including a couple of NLP (Neurolinguistic Programming) techniques, you will truly learn how to never be taken advantage of again. Having nothing to do with manipulation, Dr. Lieberman's methods make use of skills and situations we all encounter every day in practically every interaction we have with others. If you are concerned that using these techniques is "unethical" or "cheating" in some way, you can let that concern simply dissolve away *right now* because, as Dr. Lieberman points out, you're playing games anyway, you might as well play to win! Even if you don't *use these skills*, you will instantly be able to spot them when someone else is using them to

influence you. This is a book you shouldn't be without!!Some of my favorite chapters are:Chapter 1 "Get Anyone to Like You...Every Time" Chapter 2 "Get Anyone to Find You Irresistibly Attractive" Chapter 9 "How to Tell if Someone Is Trying to Manipulate You" Chapter 24 "Get Anyone to Return Your Phone Call Immediately" Chapter 31 "Stop Verbal Abuse Instantly" Chapter 37 "Get Anyone to Confide in You and Confess Anything"and most especially,Chapter 40 "Get Out of Almost Any Physical or Sexual Assault"This chapter alone could save your life or the life of a loved one, on just one reading through.The book is organized into 40 "mini-chapters" with the material presented in a friendly, readable style condensed into the tightest possible learning units.
