## Customer Reviews

Nice to have the CDs to go with the Little Ones Sing Praise songbook. I like most of the arrangements, but sometimes I don't care for the accompaniment. Some of the arrangements are too circus-like for my taste. Would be fine for use at home or in a Sunday School class. One thing to consider--LOSP changes some lyrics to some common Christian songs. For example, Jesus Loves the Little Children has been changed to: "Jesus loves the little children; All the children of the world; Every child in every land, Jesus holds them in His hand. Jesus loves the little children of the world." The kids knew it differently with "red and yellow black and white they are precious in his sight." Both are perfectly fine, but it was confusing to switch the lyrics. Much easier to stay with what the kids know already. If the song is new anyway, then the LOSP lyrics would be just fine.
