The Prince Warriors

Synopsis

The battle is real. As brothers, Xavier and Evan are used to battling each other. But now they're discovering that there is a much bigger battle going on all around them. And it's their turn to fight. Based on Ephesians 6:10-18, The Prince Warriors is the first book in Priscilla Shirer's epic new children's series that brings to life the invisible struggle ensuing in the spiritual realm. Xavier, Evan, and their friends have typical lives until they enter a mysterious land called Ahoratos. There they meet their guide, Ruwach, who offers wisdom and direction as the kids' initial adventure begins "an adventure filled with armor and danger and a very real enemy. Written by New York Times Best-Selling author Priscilla Shirer, The Prince Warriors series was created for middle-grade readers and will include the fiction trilogy as well as the 365 Prince Warriors Devotional and app.

Customer Reviews

The Prince Warriors is about a group of kids who are caught up in a spiritual battle in another world called Ahoratos. In our modern world, the kids have inner struggles going on in their lives: the brothers Xavier and Evan keep fighting, Levi does anything but the right thing; Brianna will tell a lie and so on. During one day they are magically transported into the world of Ahoratos where a spiritual battle rages. A dark prince named Poneris leads his minions of chaos against those who have been called to serve the Source who is the creator of all things. The kids go through many trials and temptations and along the way they learn the meaning of truth, forgiveness, and doing the right thing for others. I like this book because of its nonstop action and adventure and its good

representation of the spiritual battle that goes on in our world. The Source represents God, who calls humanity to Him; and Poneros who represents the one true enemy: Satan. It shows important Bible lessons like not leaning on our own understanding, but relying on God in all things. Of the spiritual battle that goes on inside us and how Satan wishes to keep us from serving God with all our hearts and forgiving our enemies showed up briefly near the end. Because the story takes so much of the lessons that the Bible speaks of and the consequences of not following them and putting them in a fictional story, I would recommend this book to others. Also, I recommend this book because of its action and adventure and its cast of interesting characters facing different problems, how they learn valuable lessons in the other world about themselves, and how they take what they have learned back into our world. There were at least one or two elements in the story that are very similar to The Chronicles of Narnia by C. S. Lewis.
