# A Conversation On Trust: The One Thing That Impacts Every Dimension Of Life

## Synopsis

This is a special live and impromptu recording between Dr. Stephen R. Covey, best-selling author of The 7 Habits of Highly Effective People, and his son, best-selling author of The Speed of Trust, Stephen M.R. Covey: A Conversation on Trust. Just like the ripples caused by throwing a pebble in a pond, trust begins within each of us personally, continues into all of our relationships, expands into our organization, extends into our marketplace relationships, and ultimately encompasses our global society at large.

## Customer Reviews

I loved hearing this father-son discourse. Obviously filled with mutual love and admiration, it speaks highly of the integrity of Steven R. Covey and his son, Steven MR Covey. This is a lasting keepsake for all Covey fans, since he passed away only about two years ago.
