They are ready to risk their lives in search of the fabled lost treasure of the pirate King, Captain Callinestra. But first, they must make it through the dark and mysterious forest of Geltane and survive an encounter with the beautiful and bewitching Leonora, a powerful enchantress with a magical hold over Sebastian's senses. And, as if that wasn't bad enough, little do they know that, when they finally reach Ramalat, a feisty female sea captain, an infamous young pirate, ravenous sea creatures, and furious sea battles await them. But there's no turning back. Will they discover the lost treasure? Will Sebastian live to tell the tale? Will Max ever stop moaning? Philip Caveney has written many novels for adults. After a heroic act of taking down the evil King Septimus, Sebastian Darke is back! With his long-time buddy, Max the Buffalope, and the short (but mighty) warrior Cornelius. They are off to another grand adventure! And this time, out into the sea! After being saved from a monster by a man named Adam, the trio is told that his sister, Leonora, knew that they were in danger. But these siblings have an agenda of their own. They are out to get the treasure that Sebastian and his friends are trying to

find! Attempting to escape from their pursuers, Sebastian and the gang hires a ship to find their way to the mysterious island that holds Captain Callinestra's world fortune. With fierce pirates, a long-lost loot, and mythical creatures, you should prepare for another fantastic quest with Sebastian Darke! After reading the Prince of Fools, I knew I had to one day get my hands on the sequel. And I was not disappointed as Caveney delivered a non-stop and fun action story with enthusiastic characters, new and old! The plot kept me hooked and I continued flipping the pages, dying to know what happened to the characters next. When you think things are going to be okay, another problem jumps out! You will be sitting there, biting your nails as you pray for the characters' safety. I pitied Sebastian throughout this novel because he fell under an enchantment where he would only think of the evil Leonora. On his journey, he made acquaintances with the pretty female captain pirate, Jenna. I think she is pretty cool and I do hope she makes an appearance again in the next novel but for some reason I doubt so. Sebastian slowly but surely grew up some more after encountering plenty of obstacles in this expedition since the Prince of Fools.
