Falling For Love (Seasons Of Love Book 1)

Synopsis

Falling for Love Collection 99¢ Special THE WEDDING LIST ~ Autumn Macarthur You never forget your first love | With her eye for design and her cut-glass accent, no-one would guess Beth Forrest's impoverished background, as she manages the Wedding Registry at Pettett & Mayfield, the stately maiden aunt of London department stores. But when her first love, brilliant physics professor James Tetherton-Hart, comes back into her life, all her careful plans are turned upside down. Unless Beth can let go of the mistaken beliefs that separated them in the past, and appreciate the depth and breadth of God's love for us all, her only gift from the wedding he invites her to will be another heartbreak.

FAITH, LOVE AND FRIED CHICKEN: FALL ~ Laura J. Marshall It's autumn in Twain, Georgia. Jaycee has herself a new job and with it, a new problem. Is it something bug spray can fix? Dash is struggling with more than just the reality of the pain from his injury. Could Jaycee be hiding something from him? The pumpkins are ripe on the vine and the pecans are ready to be shelled. Come spend Thanksgiving week in this southern series as Jaycee finds love.

RED LIKE CRIMSON ~ Janice Thompson When Adrienne realizes she's expecting a baby, she faces a monumental decision. Filled with guilt and shame, she makes the impulsive and regrettable choice to run to leave college, to leave the relationship, and to return home to her parents in Pennsylvania. The fog of shame has altered her thinking. Staying in the relationship will prevent the man she loves from fulfilling his God-appointed call to become a missionary. But, as the days, months and years tick by, Adrienne regrets her decision. After coming to grips with God's grace, she attempts to find Chris her daughter's father, so that she can share the truth of what she's done. Unfortunately, he is impossible to locate. With all hopes of locating him gone, a reconciliation feels hopeless. Chris-rejected, confused, and heartbroken at the loss of the woman he loves-has finished school and finds himself in Nicaragua, loving life as a missionary. But the void left by Adrienne's unexplained departure remains. When Chris returns to the States for a friend's wedding, is his unexpected meeting with Adrienne a coincidence or a "God incidence?" Can they put aside the past and embrace a future together as a family?

COUNTING ON STARLIGHT ~ Lynette Sowell Star light, star bright. . . A canceled wedding, an insistent ex-fiancée, a tempting job offer, and California girl Liann Rivers unexpectedly finds her dreams tied up in tiny Starlight, Texas. Except when she arrives, the job isn't what was promised, the move doesn't get rid of the pesky ex-fiancée, and her car won't even run. What's a girl to do? Jake Tucker is tired of being responsible, tired of being the strong tower for his family, and ready to escape Starlight, once and for all. The chance of a lifetime coaching football at the college level is finally within reach. Except there's this new girl in town, and somehow he can't see himself anywhere without

her. FALLING IN LOVE ~ Susette WilliamsKatie Morgan has her future planned. It doesn't include becoming serious about anyone before she achieves her goals, not even her handsome boss. Just because she does not have time to date, doesn't mean her boss shouldn't. Her new mission is to make her boss happy, whether or not he wants to be. Wade McAlester fell in love with Katie the first day she walked into his clinic looking for a job. He hired her, content to settle for friendship until she lives out her dream of becoming a vet. Against his better judgment, Wade allows her to fix him up with a couple of her friends. The dates are disastrous. However, when Wade's old colleague, Dr. Laura Redmond shows up, Katie is rethinking how happy she wants her boss to be, and with whom. Definitely not the gorgeous doctor.

Customer Reviews

I loved these novellas or short stories...short, sweet, romantic, all around clean good stories with interesting characters and beautiful plots.

The stories were clean romances and each one was different enough that I wasn't bored. In Red Like Crimson, they forgave themselves and were able to heal their wounds from their actions in the past.
