## Customer Reviews

Kendrick and Destini Campbell on the outside they seem to have the perfect Marriage but secretly behind closed doors all Hell breaks loose. Marriage is about two people coming together, Not

blaming one without the other. Faith without Works is dead. Kendrick an Elder of the Church talks down to his Wife, Eric over hears his Father talk to his Mother bad and he ask her why do you let him talk to you like that and she came wit an excuse for her Husband never talking bad about him. To her kids and Octavia misses her dad eating dinner wit them. Fathers be Careful how you talk to the Wife of your Children, You don't want that same Spirit on you go to your Children. Ephesians 5:25 Says Husbands, love your wives just as Christ also loved the Church and gave Himself for her. It's Sad that Tragedy had to come to the Campbell Family for Kendrick to fall to his knees and Pray to God for Forgiveness for the way he treated his Wife and Kids Destini being the Woman of God going to stay wit Kendrick and fight for their Marriage. Author Andre Ray another Amazing Book God is Good. Your Books are Spiritual and Uplifting. God Bless You and Your Family.

This was a great book. It held my attention from beginning to end. He really needed to get help but she was a good wife and patient with him. I'm glad she made the decision that she did. Need a part 2.

Andre Ray did it again another tear dropping story very well written and thought-out I thought I was watching a movie instead of reading a book the characters really came to life in this book. I felt as if Destini could be my best friend and I just wanted to help her then I realized she was a character in a book.. '• '•

I know it real, I went through the mental & emotional abuse while in the church. Never physical , I would've killed him. The ones I went through are worse ,because it takes years for God to heal your spirit so you can trust Him & others again. Please get help so that you don't end up with a wrecked or ended life by the one you love!

This book is a wonderful read. Most books even though they are Christian books still focus on sex. However this book focused on the message and leading back to the Lord. Looking forward to more from this author.
