The Pastor's Other Woman

Synopsis

Andrew "Drew" Webber is the epitome of a man of God. Or is he? Drew preaches every Sunday to bring God's people closer to Him and he's always going out of his way to be a help to someone in his flock. He has been leading his wife's family church for the last ten years, but is that really his calling? Jewel Webber is the beautiful, yet insecure wife of Drew. She loves her husband and their two daughters more than anything in life, but past hurts have caused her to remain in a depressed state of mind for so long that she has become complacent in her insecurities. Putting on a smile for the people, and even her family has Jewel making mistakes that could come back to either haunt or help her in the end. Jasmine is Jewel's best friend, and it had been that way since their freshman year of college. She could never understand how Jewel had so much but was always miserable. Jewel had so many people who cherished her but she always found something about her appearance that sent her over the edge and Jasmine was tired of it. If Jewel couldn't be happy with the life God has blessed her with, then Jasmine would just claim it as her own. Only there was one problemâ | she wasn't Drew's only kept secret. Bryce is Drew's best friend. They ran the streets together back in the day and had plenty of ladies beating down their doors. It was all fun and games until his eyes and heart fell for the one and only Jewel Rivers, she just wouldn't fall for him. Bryce always knew that he was called to preach and after plenty of childhood mistakes he wanted to do right and he wanted his boy Drew to follow suit. But that was easier said than done. Will God be forgiving to Bryce in the end by presenting him with his "good thing" or will he himself have to suffer the wrath that God dishes out? How can a man of the cloth have such a sinister heart and everything he preached was a lie? Would God continue to cover him or does the collar he so expertly wears begin to choke him as secrets are revealed? Will Drew even care? Could it be that he and his wife are indeed "equally yoked" because they are playing with the same fire of destruction? Or will the pastor's other woman hold all of the cards in the end?

I loved this story and every time I read a book by this author I fall more n more in love with Christian Fiction, that characters were great expect for Drew n Jasmine whom I totally dislike , I loved Avery, she was a very strong n grounded young lady, so full of faith that it amazed me to read about her, this was a great story n I can't wait to see what they s Author brings next

This is one of the best books out this year in CF. When you think Drew only has one woman...BOOM here go another one. Poor Jasmine, if only she could have just talked to Jewel I believe Jewel would've talked her out of what she did. I can't wait for part 2...Drew made me want to wring his neck but I was thankful that Bryce stepped up to the plate and claimed what was his.

I love Denora Boone's books! Yes Ms. Boone is doing her thing! One thing I can say is that she delivers a WORD in her books. If you don't understand about the WORD then this book may not be for you! LOL. She has become one of my favorite Christian Lit authors. Some of the other authors can't bring the worldly and the spirtual totally together to make sense. But she finds a great balance! It is definitely worth the read!

I dont know what to say about this author every book takes you to another Level and i love it!!!! Jewel is sooo relatable because as women in relationships we just want to be loved.when we think we find it we try to keep it at all cost. Glad she had someone to help her see her true worth.Im sorry but brice is the man that every woman wishes for even through how they hooked up was wrong glad it happen. No as for his man drew he need to get a sloooooow dose of that chick karma before he meets his maker.He is a sick and twisted selfish man if i ever read about one ,he is my new most

hated character (Father forgive me for that feeling) o how i love little miss Avery so happy for her and that she had a friend to help her through the rough moments and who had a love for God just as much as she does . You dont see that in the youth today. Please let baby girl be ok or i may have to do wwe tag me in to give drew the business if he harm that innocent child.

I just finished this book and when I tell u I couldn't put it down until I finished... I mean just that! Avery's character was a breath of fresh air... knowing that it's true to life... not all young girls are out being promiscuous or boys either for that matter... Drew...smh... poor thing he let the Devil take control and now he's lost... refusing to take heed to the â ! Jewel u named her perfectly... because she is just that and she deserves nothing but happiness... and I absolutely love Bryce! Jasmine... wow no words for the route she took! I am so glad that I saw this book and chose to read it... I can't wait for part 2! This is definitely a book I will share with others!

Loved this book. I was an excellent read. I couldn't put it down. Drew was so evil and what he did to Jewel was foul. I hope he and Constance get what they deserve. Happy that Bryce and Jewel are together and that he's the father of her kids with no ties to Drew. Jasmine was selfish. I hope she doesn't kill herself and DJ. Can't wait to find out Drew's secret. Love Avery and James. Also all the positive messages and prayers. Though sad about the ugliness of the lies, greed and deceit, the good outweighed the bad. Anxious for part 2!

Oh Lord this was a GREAT read. Drew was the devil in person. His greed controlled him. He took advantage of so many trying to accomplish his goal while hiding behind a pulpit. But God sees it all. He will reap what he sows. This book has an emotional toll in some chapters. Feel bad with Jasmine's decision. Glad Jewel found true love. The ending was wow unexpected. Hopefully part 2 comes out soon. Because Drew can not win.

This book here had me all over the place! Drew will reap what he has sown and I can't wait. I was hurt that Jasmine couldn't see her true worth and took the way out that she did. But to know that those girls have a real man as a father is enlightening. Can't wait for part two!
