## Customer Reviews

Frank Mosley Faith was tested more ways than one Stacy and Gabby is his life, Frank has a enemy from back in his past who came back to collect his debt took his family for ransom. Frank wanted to

go back to his old ways and kill the ones who done him wrong. God spoke to Mother Mary Spirit woke her up He said Pray for Deacon Mosley and his family then Prayed for Kelly's husband Rodney to give him strength and Pray for Pastor Walker and his family. Deacon Mosley had his Mother's Bible every time he thought bout doing things on his own he would hear his Mother's voice speak to his spirit he open the Bible and found the Scripture on what he was going through he wanted revenge on the man who go his family. God spoke to him and said vengeance is mines do you trust me. God is so awesome he keep a hedge of protection around his family He said when two or three or gather together in my Name I am in the Midst of them. Gabby spoke up and said my daddy is a Preacher and she wasn't scare Gabby spoke into her existent and the Angel was speaking to Gabby and Protecting them from harm's way had me shouting this book was inspirational up lifting Faith, Hope, and Love the irony of Spiritual Peace is that it often can not be attained without Spiritual warfare. Salvation belongs to the Lord.

Excellent story. I love, love this story. The bible verses was so on point with the story. When you have faith in God's word you can't go wrong. The ending was beautiful. Didn't need 3,4 or 5 books to finish. I would recommend this book to everyone to read.

Thoroughly enjoyed reading your book. Please continue to write books to help restore Christian values in our lives. I would hope there will be a part 3 because I would love to see what happens to Pastor Frank and his family.

These two books touched me deeply, I cried, prayed, and cried some more. Giving Faith is a beautiful thing, knowing Good is a wonderful fulfilling thing. We all fall short but knowing that we are

covered in the bold is amazing. Reading these books made me realize that I need to get back into the church, show my children that they truly know how WONDERFUL IT IS TO TRULY KNOW GOD'S GRACE. THANK YOU FOR OPENING MY EYES.

One thing I know for sure is God is a good God. Frank was tested and so was Stacey. Kerry was trying to continue running from the Lord. Kelly made amends for the things that were causing Kerry so much pain only because she endured the same thing as well. Frank was the blessing that the Church needed as well as Pastor Walker. This book is truly touching and will have you repent your sins.

I really enjoyed this book I especially liked the way Deacon Mosley came to the Lord. I think that a lot of people believe that they have to be cleaned up but the Lord lets you know that you can come as you are no matter how broken you are I recommend this book to any one that is seeking for the first time are even more of HIM.

The book was good I'm glad everyone got their life in order after the passing of Kelly especially Kerry. Deacon Moseley didn't have to look over his shoulder anymore. But what happened to Jake nothing else was said about him besides making Frank co owner of junkyard
