# The Hobbit (BBC Radio Presents; 5 CDs)

## Synopsis

Bilbo Baggins, the hobbit, is a peaceful sort who lives in a cozy hole in the Shire, a place where adventures are uncommon--and rather unwanted. So when the wizard of Gandalf whisks him away on a treasure hunting expedition with a troop of rowdy dwarves, he's not entirely thrilled.

Encountering ruthless trolls, beastly orcs, gigantic spiders, and hungry wolves, Bilbo discovers within himself astonishing strength and courage. And at the ultimate confrontation with the fearsome dragon Smaug, the hobbit will brave the dangers of dark and dragon-fire alone and unaided. J.R.R. Tolkien's timeless and beloved tale is presented in a stunning dramatization that resounds with all the excitement of a theater performance--and all the charm of a vintage radio show. Originally conceived for BBC broadcast and produced by the world's foremost creators of radio entertainment, this lavish production melds a full cast with stirring music and sound effects to bring this magnificent classic to life.

## Customer Reviews

I just wanted to take the time to update anyone who is interested in purchasing this illustrated edition of The Hobbit. As you probably know, there aren't many illustrated editions of the hobbit and most that are illustrated aren't all that incredible. So far, my favorite edition has been the one by Alan Lee. I must say, it's hard to top his work. Alan Lee really helped bring the story to life for me when I first read this incredible adventure by Tolkien. However, because I believe that The Hobbit is a tale directed at the hearts of children and adults that are young at heart, I believe that Jemima Catlin's illustrated edition has topped even the great Alan Lee's. First off, the quality of this book is

excellent. The book has been wrapped in cloth so the book feels high quality and soft to the touch. Also, the cover has a beautiful illustration from the book that includes carefully placed gold etching on the leaves, title, and author's name. This really gives the book a nice luster and shine. The book doesn't come with a book jacket and honestly I think that was smart based off of how high quality the book feels and looks. It just doesn't need a cheap paper jacket to cover such a beautiful looking book. The illustrations that are presented in the book are a thing of beauty. Not only are there a great many (every two or three pages or so) but they are incredibly colorful and really pop when you look at them. I do think the illustrator's style is to appear more colorful and simple at first glance, but at the same time you will look at the illustrations carefully and see the amount of time and effort that she put into this work. I love this style of simplicity and use of color.
