Attack (The Oneness Cycle Book 3)

Synopsis

The battle of good vs evil is joined in this page-turning, suspenseful Christian fantasy on the border between earth and spirit. Battling the hive—a network of humans and demons—nearly killed them all. Now Richard and Mary take the Oneness on the offensive: picking out their targets, the cell goes after the humans at the center of the hive one by one. Their weapons: truth, the sword, and hope that even the most desperately lost can be brought home. Their battlefield: the past, the sea, the city, and Tempter's Mountain—where secrets still wait to be uncovered. The battle rages for the mind. The prize is the heart—and the universe itself. And no one has any idea how deep the battle will take them ...

Download **ATTACK** and join the fight!

Life-Changing, Inspirational Christian Fiction: From the Author Hey, my name is Rachel Starr Thomson. I love Jesus and believe wholeheartedly in the power of fiction to change our lives. While nonfiction may teach us something, fiction allows us to experience it. When we're experiencing truth, beauty, struggle, and triumph, we find our lives enriched and deepened by what we read. That's why I write. I want my readers to discover depths of truth about themselves, about the world, and about God that stretch and inspire them. My stories are always clean, but I don't shy away from hard questions and honest characters. Whoever you are, I believe in you. I believe your life has immeasurable worth. I believe you were personally handcrafted by a loving Creator with a vision and purpose for your life. I believe your struggles, your dreams, and your hurts matter. I believe you walk a path no one else does, one that is intended to benefit the world. I hope you'll enjoy what you read and come back for more. Most of all, I hope that through my stories, you'll forge a new depth of connection with the God who truly loves you.

Genre-Bending Christian Fiction: Biblical, Historical, Suspense, Fantasy, Paranormal, Visionary—Always Lyrical, Always Christian, Always Changing the Game

Readers would be forgiven for asking what genre exactly Rachel Starr Thomson writes. Her work is described as spiritual, visionary, biblical, fantasy—and literary, poetic, and anchored in the real world. Always a clean read, her books are suitable for teens but have the depth, beauty, and characterization to keep adults riveted. They include:

The Seventh World Trilogy (*Worlds Unseen*, *Burning Light*, *Coming Day*): Classic Christian fantasy in the style of C.S. Lewis. Great for teens & all readers of inspirational fiction.

The Prophet Trilogy (*Abaddon's Eve*, *Comes the Dragon*, *Beloved*): Best described as biblical historical fantasy. Set in a world based on ancient Israel, these

books follow four believers in a time when judgment is coming. The Oneness Cycle (Exile, Hive, Attack, Renegade, Rise): Readers call them spiritual warfare fiction. They're Christian urban fantasy, paranormal, suspense novels—but they're also real world in their impact. If you've ever wondered about your place in the battle of good vs evil, this series is the place to start. Warning: These novels will challenge your perception of the world. Not for the faint of heart! And standalone novels including TAERITH, ANGEL IN THE WOODS, LADY MOON, & more — |Continue the journey today with ATTACK—buy now.

QUOTE: "Lots of people have good intentions," Reese said. "But foundations matter a whole lot. If you get those wrong, you can't build anything good on it." If the foundations be destroyed, what can the righteous do? --Psalm 11:3 For a tiny, coastal Oneness cell, the foundations of their lives have been shaken--in some cases near to the point of shattering. The Oneness embrace their watchword, "never alone." They embrace the knowledge that they are entrusted with the world. It is their task to love, protect, and serve. But some of their members have done the unthinkable and

turned against them. The powers of darkness are on the offensive, attacking the Oneness and trying to perpetuate evil through the people who stand for goodness. Evil is succeeding. Even the strongest, most spirit-filled members of the Oneness are faced with questions that needle them with doubt. In my review of Hive, I said one of my favorite aspects of it was the vulnerability of the characters. Thomson capitalized on that and took it even deeper in this book! The Oneness are not getting off without some serious soul searching, and the outcome of their questioning is by no means certain. While the specific situations the characters find themselves in are not part of our everyday lives, they are extremely easy to understand and sympathize with. In this fallen world, doubt is rampant. Yea, hath God said? Since the beginning of time, Satan has caused mankind to doubt the words and message of God and believers are not immune to his undermining questions. And yet, for all the struggle, there is still strength in the pursuit and grasping of truth! The Oneness members in this book fight with their very lives to grasp truth and anchor themselves to it.
