# Embark! 2015 Youth Theme

## Synopsis

An ideal talk that supports the new 2015 Mutual theme! In classic Bytheway style, John approaches the soon-to-be announced youth theme with both humor and solid teaching. Through stories, examples, his own personal experience, and scriptural insight, John Bytheway will help the youth in your family or ward understand the 2015 youth theme on a deeper level and learn how it is personally meaningful to them. In the end, he motivates all of us to become better ourselves and to share what we have with others.

## Customer Reviews

I loved listening to this religious/motivational CD. I sat down on a Sunday afternoon to listen to this CD. It was recorded while John Bytheway was addressing a group of teens. First thing that happened, my 15 year old son promptly came in and turned it off. It seems that I had it on too loud and was interrupting his activities. Hmm... As a mother of teenagers, I am always on the lookout for help to inspire my children to do better. I find that in the process I hear a message that I need. I am inspired to make changes in my life. I find that there is something that I can do better. Here are a few quotes that I had to write down. If I don't have them perfectly, it's because I was writing while listening. :) "A big heart trumps big biceps. The Lord looks on the heart." "If you really want to do something - no one can stop you. If you really don't want to do something - no one can help you." "To be 'Spiritually Minded Is Life Eternal'". SMILE John Bytheway also mentioned our personal prayers. How many times do we ask the Lord to help the sick, the needy, the sad? We are asking him to do something that we should be actively searching for. Often he needs US to be the means

to help out others. Instead I should be praying to find someone that I can help. I know that this is a lesson that I have heard many times. It is something that I know. But hearing it again, sometimes in a different manner or wording brings home the point that I should be finding ways to help out other people. I think it is pretty profound. I found this CD to be of great value. My plan for my son who turned it off....
