Customer Reviews

Finally. Not just a reading or recitation of the Holy Scriptures but a re-enactment of them. The words leap and dance off of the page due to the passion infused into every word. What a wonderful project. This is indeed a sight and sound generation. Try getting kids to sit down and read a book these days. Impossible! But now we have The Bible Experience. It's packed with more stars than a blockbuster movie. Although the cast is entirely African American, it makes no difference because when God speaks, he speaks to every person. The set includes 19 CD's which hold the complete New Testament. There is also a CD which includes bonus features. That's where you will find the Making of Video, pictures and cast list and what characters they play. The really nice thing about this set is that the discs are already tucked into a nice cd case, ready to take with you as soon as you open the box. The talent used here is a smart move. It creates an audience that may not have been attracted to a project like this. What a cast: Denzel Washington, Angela Bassett, Cuba

Gooding Jr., Samuel L. Jackson, Bishop T.D. Jakes, Blair Underwood, Yolanda Adams, Shirely Ceasar, Faith Evans, Kirk Franklin, Hill Harper, Levar Burton, Tisha Campbell, Loretta Devine, Kim Fields, Eriq LaSalle, MC Lyte, Glynn Turman, Garrett Morris, James Avery, Vanessa Bell Calloway, Donnie McClurkin, etc., etc., etc. There are too many to name here. The cast re-enacts from the new testament of Today's New International Version of the bible. Not only is there acting but wonderfully scored music and sound effects to make the listener feel as though he is at the scene.
