# **Synopsis**

Before you could tuck it under your arm, before you could bring it up on your phone â "you did not read Scripture, you listened to it. For centuries, the only way to access Godâ TMS Word was to hear it read aloud in public gatherings. Today, many are blessed to own personal printed copies of the Bible but there is a surprising benefit to hearing the Scriptures read aloud as it was for so many generations. Verses you have read many times will impact you in a new way when you hear them through the NIV Listenerâ TMS Audio New Testament. Read in a single voice with subtle background music, Max McLeanâ TMS skillful, engaging, but never over-dramatized style will bring Godâ TMS Word to life during your personal and family devotion times, group Bible study, or during your weekday commute. Listen just 6 minutes a day to hear the New Testament twice a year. Max McLeanâ TMS skillful narration will help you understand, memorize, and enjoy Godâ TMS Word. "These are the most engaging recordings of the Bible I have ever heard.â Hank Hanegraaff, The Bible Answer Man President, Christian Research Institute "He sounds as you might expect the writers of the text to sound if they were speaking instead of writing... McLean reads the Bible like it is the Word of God." Donald Whitney Professor of Biblical Spirituality, The Southern Baptist Theological Seminary

This is a good way to listen to the Word of God on CD. It is in a nice voice format and I am able to listen to it on my commute to and from work. Keep in mind this version is just for the New Testament. It comes in a travel case that helps keep the CD's organized. I think it's great for the

price.

Goes with me on trips and is a great way to keep scripture at the center of your life. Love the narrative voice that is pleasing but with inflection so it doesn't put you to sleep. Be aware that like other books on CD this doesn't appear in your Kindle - I thought that it would.

I love hearing Scripture read to me. The reader has a deep theatrical voice that, to me, isn't easy or calmingto listen to. I'll still listen, but not as often as I'd hoped to.

Fantastic! Listen to it all the time. I would highly recommend it.
