Customer Reviews

I have completed the Bible now, so I updated my review. Besides this, I have listened to many other audio Bible's. These are the Audio Bible's that I have heard: The Word of Promise (Old and New Testament) Truth and Life Audio Bible (New Testament) Bible Alive (Old and New Testament) Bible Experience (Old and New Testament) Faith Comes by Hearing NIV and KJV (Old and New Testament) Needless to say, I can write a comparative review, having heard almost every dramatized audio Bible available on the market. As I write this review, I will compare this product to others that are also on the market. So how does this Bible stand in comparison to the others that I mentioned? Well, I would say that in rank, it would either be a close 2nd or an easy third. Personally; I am not sure that the Word of Promise can ever be surpassed seeing that it cost over 1 million dollars to make and four years to produce in its entirety. That being said; I would venture to say that the NIV Live Audio Bible is very close in terms of acting and sound production. In fact, parts of the New Testament and even Old Testament (Exodus) are way better than the Word of Promise. So now I will take the time to rate the Music, Production, Acting and Overall quality of this Audio Bible. Acting 9/10: Across the board, the acting is fantastic with very few exceptions. The only exceptions would be a few of the folks that contributed to the book of Psalms as they are either void of emotion or sing lines with an awkward tune. Matt Gibson as the narrator 9/10: Besides an occasional mispronunciation of a name, Matt Gibson is perfect as the narrator.

Thank you and your staff for my first and only comprehensive journey through the Bible. Just to hear and read God and Jesus message in plain English, while feeling like I am actually experiencing millions of years of his great wonders has been priceless. I have journeyed through this edition twice this year and look forward to a third and fourth time and many more afterwards. I have gone to a variety of churches throughout my life and never understood or was explained why we need to do certain things and what The Bible actually meant and like many others I could only listen to what others said about it. Now I understand it and as I continue, listening and studying I will gain a greater understanding each time and yes God way is the right way and only way. I also like that I can take notes, highlight, and bookmark the passages. I recommend this version of the Bible to anyone who will listen and I even purchased a docking station so that I may put God and Jesus

words on blast, lol. I feel a sense of peace and that a veil has been lifted knowing God, Jesus, and the Holy Spirit are with me and will guide me. My friend and co-worker recently retired and as a gift, I presented her with the box set so she may spend her days listening to the words of God and Jesus, wherever she goes. She was very moved, delighted, and surprised by my changes. Thanks to you and everyone who has participated in this modern miracle. I would also like to announce to you that when I started reading and listening to the words of Jesus I broke down in tears, and felt moved by the Holy Spirit. You have given me a chance to give my life over to the Lord and I cannot thank you and your staff enough.
