Customer Reviews

Exactly what was expected - simple text (bilingual) accompanied with clear pictures. The computer generated illustrations won't win any awards but are simple, clear and engaging enough for a 6-9 month old. I would deduct half a star if I could for some of the Chinese phrases - more awkward and perhaps "google translated" than the conventional Chinese translation for the English phrase

The illustrations are not that great. Book is pretty boring but I guess it gets the lesson across.

Great book. I read each night to my baby girl. Looking forward to buying others in this series.
