Customer Reviews

My son loves this book as it involves a young boy, a nice cat, and Italy! My wife and I are trying to teach our son some Italian and this book is a great way to introduce some basic vocabulary to our son. The book is well written and illustrated, and has a nice simple story. A new Italian word is introduced nearly every page in context so learning is fun. We recommend this book for anyone looking for a story about Italy or for a young child hoping to learn some Italian!
