## Synopsis

Chyna Shepherd is a twenty-six-year-old woman whose deeply troubled childhood taught her the hard rules of survival, and whose adult life has been an unrelenting struggle for self-respect and safety. Now rare trust has blossomed for Chyna into friendship with the woman whose family home she is visiting for the weekend: a farm in the Napa Valley surrounded by vineyards and hills, which Chyna can see from the guest-room window where she sits at one o'clock in the morning, fully dressed, unable to sleep. Suspicions she learned in childhood still make her uneasy in unfamiliar houses--even this one, where her closest friend is sound asleep down the hall. And in this case her most disturbing instincts prove reliable. A man has entered the house, a man who lives for one purpose: to satisfy all appetites as they arise, to immerse himself in sensation, to live without fear, remorse, or limits--to live with intensity. His name is Edgler Foreman Vess. He likes to make words with the letters from his name--GOD, DEMON, SAVE, RAGE, ANGER, FEAR, FOREVER, are just a few of them--and then makes sentences with the words. One of his favorites, GOD FEARS ME, is sometimes the last thing he whispers to his victims. Edgler Vess is a self-proclaimed "homicidal adventurer": On this night, his adventure--murdering everyone in the house--becomes Chyna's long nightmare. Trapped in Vess's deadly orbit, Chyna thinks only of getting out alive. But when she inadvertently learns the identity of Vess's intended next victim, waiting for him far from Napa Valley, Chyna is gripped with concern for this other person, who is as innocent as Chyna, and as endangered. Driven now by a sense of responsibility for another, by a purpose and meaning beyond mere self-preservation, Chyna rises to unexpected heights of courage and daring--her only hope as the threat of Edgler Foreman Vess closes in and grows more horrifying moment by moment. Intensity unfolds over the course of just twenty-four hours, but within that brief time frame, Dean Koontz gives us what is perhaps his most inventive, emotionally intricate, and terrifyingly suspenseful novel yet. ## Customer Reviews

As an avid Dean Koontz fan, I couldn't NOT read this book. And I wasn't disappointed. "Intensity" is a good read. Perhaps not my favorite of his, but still very typically Koontz. This novel starts out slower than most of his novels --- usually I'm entirely captured by the first or second page, he gets right into the guts of the story, but this time he paced the beginning a lot slower. But in a relatively short time, things start to get --- well, intense. Chyna Shepherd is staying with her best friend's parents over a school holiday and suddenly her entire host family is dead, and only she remains living. Having always been a passive person, not wanting to get involved in anything frightening or risky (thanks to a very nasty childhood), she suddenly decides this is something she NEEDS to put herself in the middle of, to vindicate her friend. So she follows the killer. Learning that he has a 16-year-old captive, she vows to rescue her as she was unable to rescue her friend. At first, the killer has no idea she's there, but when he finds out, things heat up a bit, and there are a few heart-stopping scenes of suspense. The book takes place in only a 24-hour period, and each moment counts. And, as always, Koontz has a couple of intriguing surprises up his sleeve --- the identity of the killer, for one thing. "Intensity" follows the story from both viewpoints, the killer's and Chyna's. Chyna's portions are told in typical 3rd person past-tense, but the killer's sections are told in the rarer PRESENT tense. It's a tad distracting at first, but you'll get used to it. My major complaint with this one was that sometimes, things went a little too slowly for me --- especially with a book called "Intensity".
