Customer Reviews

I recommend this book to minecraft lovers and anyone who has a passion for experimentation. What I like about this book is that u can mix one potion with another to make a stronger or weaker potion!!

Pretty cool! Although it could have been a little bit more wordy. But I learned a whole bunch about potions. Recommended.

It was awesome! It was a very very very very very very very very very very very very very very interesting book

Good. Told you how to make some potions, but didn't tell you what they did exactly.

I think this is helpful because I don't brew much, and sometimes I forget the recipes, and how to make the potions.

my account says Claudia M. Galindo but, I am a boy this is my mother's account, I LOVE POTIONS lol in mcpe I am ZeksaphireYT YT=YouTube ;)

Pretty cool, but I thought it was going to include something else, and most stuff was already known. Peace out and hope you like it

My 9 year old son thinks this book is useful helpful epic totally awesome and super cool! Thank you!!
