Beyond The Shadows: A Christian Romantic Suspense Boxed Set Book Bundle Collection

Synopsis

Gone by Dark by Christy Barritt: Ten years ago, Charity White's best friend, Andrea, was abducted as they walked home from school. A decade later, when Charity receives a mysterious letter that promises answers, she returns to North Carolina in search of closure. With the help of her new neighbor, Police Officer Joshua Haven, Charity begins to track down mysterious clues concerning her friend's abduction. They soon discover that they must work together or both of them will be swallowed by the looming darkness.

The Unrelenting Tide by Lynnette Bonner: Widowed former-Hollywood-actress Devynne Lang has been living a quiet life in the San Juan Islands of the Pacific Northwest. For years, she's hoped her fabricated death would keep her identity safe from the public, and more to the point, from the stalker who forced her into hiding. But strange things have been happening around her place and this time, with a daughter to protect, she can't afford one mistake – even if it means letting Carcen Lang get close enough to help.

The End Came with a Kiss by John Michael Hileman: When the world died, my wife died with it. She became like the rest – a beautiful zombie, acting out a scene from our past, over and over again. But I know she is alive inside that dead body. She's been trying to tell me, trying to show me – and I won't stop until I save her. I won't stop until I save them all.

Saving Grace by Lesley Ann McDaniel: When an obsessive fan forces opera singer Tracy Fontaine to change her name to Grace Addison and go into hiding in a small Montana town, the last thing she wants is to get to know the locals. Now, not one but two men have worked their way into her daily routine, much to the chagrin of a jealous local girl, who insists on prying into Grace's past and stirring up deadly trouble. Will Grace find love in Madison Falls or will her stalker find her?

When Night Comes by Dan Walsh: Jack Turner comes back to his alma mater to give a series of lectures for his old history professor. Within days, he starts having bizarre experiences at night. Like he's traveling back in time, experiencing the epic events in his lectures firsthand. Several college students suddenly start dying in their sleep. The Professor who'd invited Jack begins acting edgy and strange. And there's this beautiful brunette in the back row. Every time he looks at her, she's smiling at him. She looks vaguely familiar.

Battered Justice by Linda Bradley White: FBI Special Agent Jake Tucker works hard to be an excellent investigator and a great dad. Having Cass McKenna as his partner helps. An investigation into a shooting leads them to a shadowy trail of crime connected with a casino – and the battered body of Jake's ex-wife. Jake is sure Tam's new husband, a powerful state senator, killed her. But Lady Justice can be battered, too. Soon Jake and Cass find themselves in the fight of their lives.

Customer Reviews

This review is for Unrelenting Tide. The first book of the boxed set I read. This book was one surprise after another, from beginning to end. Lynette Bonner knows how to ratchet up the tension on both the suspense and romance sides of this wonderful book and she does it with almost every scene. I recommend this book highly for both suspense and romance fans because it has both in large doses. I look forward to reading the rest of the set.

Come join me on this roller coaster ride of murder, mayhem and romance. Throughout this journey we find God's love, protection and redemption. He is with us in our times of need. This was an amazing collection of Christian romantic suspense by some very good authors I encountered familiar authors and met some new ones that will soon be in my to read pile. Thanks for the amazing journey.

Before I read Battered Justice, I read Bloody Point. Both of these novels kept me reading onto the night! Loved them! I love the way the author shows trusting in God and the various results you get. She is a great writer!

Linda J. White is an amazing story teller. She embraces all of the aspects of a mystery with factual details while showing that people of all walks of life struggle with their faith.. Battered Justice is just one of her many "can't put down" books. I always look forward to a new book by Linda and know that it will entertain and inspire me.

MINUS "The End Came With a Kiss", I would give 10 stars if that were an option! I have read a lot of mystery, suspense and crime novels over the years. This set is some of the best I have ever read. I was pulled into the stories from the first pages and propelled forward. Some of the best things were: great suspense, NO lurid sex scenes but nice touches of romance, and last, the 'icing on the cake', is how faith and relationship with Christ was woven in. I will buy books from these authors. Great, great, great... Wow.

Barritt and Heilman are two of my favorite authors and these books are very good and unique from usual style. Whites book was excellent and, she is a new author for me. More suspense than romance, which is a definite positive for me. If you don't like preachy Christian books you'll probably like these.

This review is of my thoughts on The Unrelenting Tide and Gone By Dark, two of the books that I have read from this special Kindle boxed set. THE UNRELENTING TIDE by LYNNETTE BONNER I knew Lynnette Bonner could write some pretty good westerns, I knew she could do contemporary romance, and she does well in historical romances with intrigue. But I can now definitely say she is one of the most versatile authors I've read as she does romantic suspense very well. The Unrelenting Tide was a real edge-of-your-seat story filled with twists and turns. I always enjoy trying to figure out the villain in books but Lynnette Bonner sure had me going and I got totally off track for quite awhile. The Unrelenting Tide is a great romantic suspense novel and well worth the time spent reading or, like I did, listening. Great story! Don't miss The Unrelenting Tide by Lynnette Bonner! GONE BY DARK by CHRISTY BARRITTEvery time I read a Christy Barritt book it becomes my new favorite. She has such a flair for suspense! I didn't finish Gone By Dark in one day. Nope. I just couldn't put it down and finished it in one afternoon. I just HAD to know what would happen next. There were more twists and turns in this book! Just when I thought I had it all pegged a new clue would turn up, by the end of the book I was thoroughly surprised by the thrilling and dramatic climax. She knows precisely how to keep her readers so engrossed that they nearly forget to

breathe. Every Christy Barritt book is a real treat in suspense and *Gone By Dark* is no exception so don't miss it! (I did receive a copy in exchange for my review. All opinions are entirely my own.)

This collection is definitely one of the best multiple collections I've read. Most of the time I will only like 2 or 3 books out of a collection, but I liked ALL but one of this collection. I highly recommend it.
