I love this Author's work because they are powerful n with meaning, I definitely see the growth in

each book. I soooooo love Eva she is sooooo strong even in her weakest moments and for her to reach out and help Rebecca after all she put her through was nothing but God's love. Rebecca was getting on my nerves at first with her shenanigans but I finally understood her and I hope that she really got it together this time. Most definitely glad that Dennis finally got it together he worked hard n never gave up cause he was a good man for real. I felt for Carter the most because he went above n beyond to show Rebecca how much he loved her in spite of her n I really couldn't understand why he won't let go but I guess what he said is true, you can't help who you love. If you've never read a story by this Author then you are definitely missing out Awesome Job Jenica

I loved this book from start to finish. I have become a great fan of Jenica Johnson writing She does a wonder she keep your attention. I read other books that she has written. If you want to really enjoy this book you should read her other book I Don't Look Like What I Been Though. This book paints the picture that leads to this story.

Once again this author has woven a story that is a great read about love, infidelity, betrayal, and the power if forgiveness and God. I was glad to see what I envisioned happen in the end with an extra twist. Thank you for sharing your writing gifts with us.

I don't know what I would do if I was cheated on and my husband mistress is expecting a baby. It would take a lot of praying and at the same time kicking his cheating heart tale out the house. I give Ms. Eva props because she is handling it well.

This sequel was powerful. A must read for married couples who need to forgive. God does work in mysterious ways. Forgiveness is the main point that I will remember from this book. Please read it. I promise, you will not be disappointed.

Such a loving story. It's amazing how powerful love and prayer changes things. Dennis and Eva are people who are located in our daily lives. Their story rebounds everywhere. Love cannot be underestimated!

My girl did it again. ..she gave another strong woman to look up to she admire...Eva was a woman of faith but don't get it twisted she will get with you in zero point two seconds...She Is Not to be played with....encouraging for couples that think they can't come back from adultery...

Awesome Awesome Awesome ! This was an awesome book. Great ministry teaching on forgiveness and love. This book blessed my soul especially when you know that there are woman who have or is experiencing situations similar to this one. But God! Keep up the good work!
