Milet Mini Picture Dictionary: English-Japanese

Synopsis

Perfect for pre-schoolers, this board book version of the popular Milet Picture Dictionary features similar vibrant artwork in a simpler format for younger children.

Book Information

Board book: 28 pages

Publisher: Milet Publishing (May 1, 2005)

Language: English

ISBN-10: 1840594691

ISBN-13: 978-1840594690

Product Dimensions: 5 x 0.8 x 6 inches

Shipping Weight: 8.5 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars Â See all reviews (3 customer reviews)

Best Sellers Rank: #1,877,728 in Books (See Top 100 in Books) #72 in Books > Children's

Books > Education & Reference > Foreign Language Learning > Japanese #333 in Books >

Children's Books > Education & Reference > Reference > Dictionaries #17290 in Books >

Reference > Dictionaries & Thesauruses

Age Range: 1 - 4 years

Grade Level: Preschool and up

Customer Reviews

This book is okay in that it is a board book which is what I was looking for, but not what I expected for the price. It's worth about \$3, but I bought it for \$8! It's like they didn't ask a native Japanese speaker to proofread before printing the English/Nihongo version. The two big mistranslations are "bedroom" translated "toifuku" (which as far as I could tell is a word that doesn't really exist according to every other Japanese dictionary I looked in, but is the kanji for "clothes" with a "to" in front of it--very strange) & they use the word "ge" (body hair) for "hair of the head" which should be translated "kami". Also, they randomly used only hiragana for some words & only kanji for other words. For example they have the kanji for "honyuubin" (baby bottle) & hiragana for "cat" & "dog" which are much more simple kanji; and they use the kanji for colors (fairly difficult), but hiragana for numbers (which again, are much simpler kanji). I had to at least write the furigana for all the kanji, some of which I didn't know & had to look up in another dictionary because I'm only an intermediate beginner & it took a couple evenings (something I wasn't expecting to have to do). I don't dare try to write kanji in my beginner handwriting in permanent marker. I do know enough, though to know this

book isn't really worth it, especially if you're looking for a quality bilingual board book dictionary for a 1-5 year old. That is, unless you are already bilingual & can translate it yourself. Besides that, the illustrations aren't really that nice. I feel like I could have done a better job myself. Where are the quality Japanese-English board books? I have several Maisy books from Japan that are translated very well and despite the choppy artwork are still cute.
