Customer Reviews

I got this as a present for the baby of a bilingual couple -- they were delighted. This is a really cute book that teaches both numbers and colors. It would also be good for someone wanting to learn some basic German. For someone learning another language, reading children's books are a fun and easy way to start.

The German translation starts out wonderful but inexplicably the last pages include elementary grammatical mistakes. It needs to read, "Das hungrige Baby isst...", as well as "blau, rot, braun"

(without 'e') on the color page. 'Der Kletteraffe' is a compound that needs to be written in one word. I wish the editor had paid more attention since parents will rely on the materials presented to be correct. Even young children deserve to get a language presented correctly! It is irritating to find the second half of each sentence starting out with a capital letter, e.g. 'Der hungrige Hund wartet auf - Neun Hundekuchen.' Capitalization is even stranger in the second half of the English sentences: 'Grunting Pig eats - Seven Golden Corn Cobs.' This is too bad since otherwise the book is appealing and kids enjoy it!

Great to get little kids listening and beginning to learn German
