Pocket Piggies Opposites!: Featuring The Teacup Pigs Of Pennynell Farm

Synopsis

The Pocket Piggies are back in their third irresistible board book for babies and toddlers, this time illustrating the concept of opposites. The star residents of Pennywell Farm in Devon, England, pocket pigs are tiny enough to fit in the palm of a hand, and they love posing for the camera as much as the camera loves them. The chunky, made-for-little-hands board book format is the perfect platform for these friendly and photogenic ambassadors of cute. With bright, colorful photographs and simple text, Pocket Piggies Opposites! is a delightful way for young children to learn about opposites. Thereâ€™s âœMessyâœ (piggy splattered with paint) and âœCleanâœ (piggy taking a bubble bath). âœColdâœ (piggy playing in the snow) and âœHotâœ (piggy building a sand castle on the beach). And more, all lovingly photographed by Richard Austin, Pennywellâ€™s exclusive animal photographer. Â

Customer Reviews

I gave this book to my grandson for his second birthday. It was a big hit!! He absolutely loved it--he just loves piggies. He and his older brothers also have the other books in this series and those books were hits also. Cute photos of some cute little pigs.

Have given my Great-grandson all of the books in this set, plus a little piggy stuffed animal, they are wonderful!!

This is such a cute book and the kids just love it It is hilarious!

Great way to teach the kiddos opposites!

I love this book!
