Sue Grafton GHI Gift Collection: "G" Is For Gumshoe, "H" Is For Homicide, "I" Is For Innocent (A Kinsey Millhone Novel)

Synopsis

Here together for the first time on CD, Santa Teresa P.I. Kinsey Millhone is still on the case. "G" Is for Gumshoe Kinsey Millhone's thirty-third birthday brings about final renovations to her apartment, a new case, and the top slot on Tyrone Patty's hit list. Obviously, it would turn out to be a birthday to remember. "H" Is for Homicide To the cops, the death of claims adjuster Parnell Perkins looked like a robbery gone sour; to Kinsey Millhone, it looks strangely suspicious. As the evidence leads Kinsey to insurance scammer Bibiana Diaz, she must race to get to her before Bibiana's spurned and violent suitor Raymond Maldonado does. "I" Is for Innocent Kenneth Voight thought that justice had not been served when David Barney was acquitted in the shooting death of Voight's ex-wife, Isabelle. Five years later, Voight is the plaintiff in a civil suit in which Barney stands accused of Isabelle's wrongful death. When Voight hires Kinsey to gather the necessary damning evidence, a simple civil case becomes a deadly hunt for someone who once got away with murder "and may again.

I've been buying the Kinsey Milhone series as they have been published as 3-in-one hardbacks since last year when I finally discovered these fun little mystery books. I now wish I had discovered them years ago. These Kinsey Milhone mysteries, and Sue Grafton's writing style have matured as the series progresses. These books are easy reads - not terribly deep but they don't pretend to be anything but that either. I also recommend Janet Evonovich's Stephanie Plum series for readers who

are fans of Grafton heroine Kinsey Millhone. Although Evanovich's heroine "Stephanie plum" is somewhat more of a "character" and the situations are far more unbelievable (intentionally so), the books are just as much fun.

I drive 35-45 minutes each way to work. The news is too depressing. I found these mysteries to be an enjoyable diversion. Not too deep, but good mysteries. Following a single character through three mysteries makes her a friend on my otherwise lonely drives. I have now gone through 9 such mysteries. Enjoy!

This book combines three of the best of the alphabet series in a single volume. Better yet, the stories form a reasonably coherent trilogy, with recurring themes of Kinsey's rise and fall at California Fidelity, significant changes in landlord Henry Pitt's life, and Kinsey's own crisis of confidence. I can't say that "H," "I," and "J" wouldn't have made an equally good trilogy, but this is a good combo. If, by any chance, you've not previously encountered Grafton or her heroine, Kinsey Millhone, this book should also be a great introduction. More than many fiction genres, mystery is a "writer's" genre-i.e., one that prizes well-drawn prose that brings settings and characters vividly to life. Partly that's because the field has a tradition of using mystery as an excuse for exploring unique cultures or settings (witness the success of Tony Hillerman's Navajo books, or Dick Francis's numerous forays into British horseracing). But also, it's easy to bury clues in the details of culture watching or the quirks of characters who may or may not be suspects. Sue Grafton is one of the best of these writers currently active in the field-and these are three of her best books.

I have read Sue Grafton's A to N books. I have enjoyed them all. They seem to take me away to another life. Which does not bother mine. They are indeed light reading as well as fun to read. She has made Kinsey the girl next door as well as a female Spencer for Hire. I can not wait for the others to be printed. We still have O to Z to hear about.

This is a simple, fun-read kind of book and I really like the audio versions. The reader really fits the Kinsey Millhone character. Not a real indepth kind of book but a good entertaining one. And I like how the Kinsey and the books mature as you go through the series.

G---H---I---Sue Grafton 4/24/1940-3 husbands and 3 kids. Started writing at 18. KINSEY--5/5/1950--5'6" 118 lbs. Raised by her Aunt GIN... Girl detective! G is for Gumshoe-The

cops find 4 bodies & hired assassins. Kinsey meets a good man--Dietz--will he come back from Germany? Kinsey IS on the right path! H is for Homicide-Jimmy Tate is in surgery. Bibianna not much better. Vera gets married. Maldonado has a good atty. Key figures named in a crime ring. Gordon Titus fires Kinsey/No pay. Cops never found her good black jacket!! for Innocent-Kinsey learns how to sit down again. Lots of paperwork. Tippy Parsons-chats with the DA about hit-n-run. Rosie in love. Hartford McKell writes Kinsey a \$25,000 check. Spring is just around the corner. WonDERful

They don't get any better than Sue Grafton's Alphabet Series. Your attention is grabbed immediately and you can't stop turning pages. All the characters seem like you know them and the situations are portrayed very realistically. Terrific read.

Having lived in 'Santa Teresa' for a number of decades - It's fun to try to figure out what 'real' street, city or structure Sue is talking about. Love her character and the tongue-in-cheek humor is right up my alley. Had to go out and purchase 'K is for Killer' right away. Yet another spellbinding event.
