I got this to listen to in the car for my long commute to my new job. The devotions were short and to the point. I like Beth Moore but in some parts she talked so low I couldn't hear what she was saying, even with the volume turned way up. That's the biggest gripe I had.

These devotions are perfect for listening to in the car on your morning commute. As usual, Beth Moore is insightful & articulate. They are short devotions, so don't order expecting an in-depth study, but if short is what you're looking for, this is perfect!

Great gift. Great gift. I love the devotionals that Beth has chosen to put on this CD. I ordered many

for Christmas presents.

I chose this CD because of my previous experience with Beth Moore's ministry. Her messages are truly God inspired. She is very authentic in a world of fakes. I appreciate her depth and her candidness. I appreciate her love and pursuit of God and sharing it with others. Thankful for her letting God work through her in these messages.

Sorry but I found the cd hard to listen to. Maybe I am just not used to Beth's accent. Maybe I found her way of putting her message over a bit frantic. Whatever it was I didn't enjoy the cd at all.

Beth is so easy to follow in her teaching of the Scripture and her humor is an added plus to the deliverance of her sessions

Love Beth Moore. Her life comes through in her teaching of the Word of God. She can relate to so many women who have struggled, and are struggling, with a vast array of life's issues. I listen to these CD's in my Bible study time and on my IPOD when I'm going about my daily chores. Thank you, , for making such teachings available.

There are multiple teachings on this CD, they arent very long but perfect for starting out your day, starting your day over or on your way home. Beth Moore helps you think Godly and I love her accent.
