COOOOOOOOOOOOOOOOOOOL! Yay! book 14 thanks,CN!!!!!!Review:So herobrine made a beacon

that speares out that trees and dirt at the desert. BUT IT WAS ACTUALLY FOR FIXING THE GROUD and tring to hatch that ender dragon. But at the end, the dragon egg disappears! So maybe you are using that player named ilovedragons1 idea because maybe the player mira took it? Anyway my suggestions will be about mira and the ender dragon BUT with some changes because I hate the part of ender dragon eating alex!suggestions: So mira took it secertly and that pyimind was her base. Alex finds a secert passageway to her headqurtures! But all inside it was a portal. They jump into it and they were teleported to her real headquaters that is a castle and is a princesses of a kingdom of players far far away.concusion: Thanks for reading this CN!:) Thank you for making book 14!!!!!! your book lover Joowon hwang (actuly the minecraft name is superxper178)p.s no offence but.... WHY WHY WHY YU NO RELASE diary of a grefier 3!?p.s.s ilovedragons, if you are reading this, be happy because mayhaps CN is using your idea. And sry for copying and editing your idea ok?

LOL. I kept saying in my review of Angry Alex 13 (Which I wrote TODAY) to write the next book. Oh, I probably should have written this afterwards, since there's only one review per cutomer allowed. Actually, all my reviews are kinda the same, and I'm sure If i wrote this afterward it would be no different (except in the blanks). Anyways, here it goes. OMG, YOU ARE SUCH AN AMZING WRITER! I LOVED (

Like so many other series, these books keep getting better and better!!! I wonder if Alex knows about the dangers of a desert temple...or else shes in for a big, explosive surprise...! Thanks so much for writing book 14, I can never seem to wait for your new books!(I'd be honored to be on your list, name's Xx_FireFoxy_xX. Thanks!

i love it! also can u put my name in the awesome reveiwers list? thanks! also btw your books are amazing! Ive actually been a fan for a really long time, ever since the first angry alex book came outâ | but I guess ive never really comment.signing out~ â„¢Sugary_Gamerâ„¢

I loved this book and for the first time in forever Alex was actually happy. Also if you could leave me as an awesome revoriewer i'd be so happy. If you do put Ironix Yolo. I hope in the next book Alex finds a hidin portal which teports them to a hidden base. And the person who owns it is the herobrine version of Alex. Thanks for the awesome books.

Good book. This author releases books fast like Steve the Noob, and now Cube Kid is getting back on track! Everybody knows about the 4 best Minecraft authors: These are not in order so do not take this offensively (if you are one of the following authors) 1. Cube Kid 2. Steve the Noob 3. Crafty Nichole 4. Zack Zombie These are not in order..... Now I will describe every author..... Cube Kid..... Cube Kid had a rough 7 months. No books were released but now Cube Kid is back writing long books. It takes about 5-7 weeks now for Cube Kid to release a book..... Steve the Noob..... This author has never and will never take more than 6 weeks to make a book this author makes books monthly. This author's books are never too short and are never too long. My favorite Minecraft author..... Crafty Nichole..... This author releases books the fastest out of all these authors. It takes 3-4 weeks for this author to release a book. This author is also the author of the book I am reviewing right now. Great books!..... Zack Zombie..... This is the best writer of all of these authors, the only problem is that it takes almost 1 year for this author to release a book. He is known for his zombie books. -PigMaster4000

Crafty Nicole has outdone herself AGAIN. She plunged us toward humor, mystery, and of course, always making me laugh with every ALEX ANGER STATEMENT. Alex and Steve, now official heroes have taken it upon themselves to save Minecraftia from a | ummm | whatever Herobrine evilly plans to do with fire resistant trees, and a weird, kinda sorta evil island. (NOT REVEALING SPOILERS) I loved the twist the end, with the pyramid and all. I have a couple ideas of what should be in there, MOST leading to some sort of dark, hidden backstory from.... Herobrine!! Like, I don't know, some master plan that connects to something else | I would LOVE to be in the awesome reviewers list, it's practically my dream. So, Ms. Nicole, if you decide my review was Angry Alex Worthy, please add me!! (As CupcakeCutie!) Angry Alex forever! -CupcakeCutie
