Financial And Managerial Accounting

Synopsis

Financial and Managerial Accounting, 2nd Edition provides students with a clear introduction to fundamental accounting concepts. The Second Edition helps students get the most out of their accounting course by making practice simple. Newly streamlined learning objectives help students use their study time efficiently by creating a clear connections between the reading and video content, and the practice, homework, and assessments questions. Weygandt, Financial and Managerial Accounting is ideal for a two-semester Financial and Managerial Accounting sequence where students spend equal time learning financial and managerial accounting concepts, and learn the accounting cycle from a corporate perspective. This program begins by introducing students to the building blocks of the accounting cycle and builds to financial statements. WileyPLUS sold separately from the text.

Customer Reviews

They photocopied the entire book and through it in a binder. And still charged a hefty sum

Just a heads up, it does not come with the code

The book came with the binding loose

Good book. Very complete

Great Book

Great Book. However, the price could be a little lower.

does it come with an access code or does the e book come with one?
