Customer Reviews

Smiling, My son has started with his numbers and I am trying to align the different languages as he learns the same subject. Again, I enjoy the works of this author and I shall continue to make several updates. Also, the arrival of the shipment is great!

I love this book! It's perfect to teach mio bambino the language of his mother's Italian family. It's in perfect condition, too!

Illustrations are cute. The storyline is fun and easy to engage my toddler in a second language.

There are a lot of mistakes. But it is nice to have both languages
