Gunsmoke, Vol. 2 (Hollywood 360 - Classic Radio Collection)

Synopsis

[12 Audio Theater Episodes]Radio Westerns were strictly for kids until 1952, when Gunsmoke hit the radio airwaves. The stories were grim, the deaths brutal, and life on the plains was harsh. Radio audiences had never heard anything like Gunsmoke, and they made it the number one Western on the radio. It soon made a successful transition to television, becoming the longest-running dramatic series in television history. Join William Conrad, Parley Baer, Georgia Ellis, and Howard McNear in the continuing "story of the violence that moved west with young America and the story of a man who moved with it," Matt Dillon, United States marshal.
