The Adventures Of Hotsy Totsy

Synopsis

Casey and Lacey Nicefolk seem like two regular, all-American kids. But these twins have a secret: a magical box that can turn any small object life-size! So they dream up a plan to turn a toy boat into the life-size Hotsy Totsy and enter a national boat race. With their dog, Floopy, along for the ride, the twins zip up to San Francisco, ready for excitement. But this is no ordinary boat, and this is no ordinary race. Casey and Lacey must work together in a nautical adventure that turns into a risky race to the finish line!

After flying through the air in the Vin Fiz, Casey and Lacey Nicefolk are back for another adventure. Thanks to the help of Mr. Sucoh Sucop (hocus pocus spelled backward), the non-identical twins still have the magic box that transforms small toys or figurines into life-size objects. Although they had their hands full in their last adventure flying a replica of the Wright Brothers' Flyer, school is almost out and summer seems like just the perfect time for Casey and Lacey to have more fun!A poster highlighting an upcoming boat race makes its way into Casey's hands, and he knows exactly what he and Lacey should do. The Gold Cup National Race is a powerboat endurance race up the Sacramento River to the state capital of California and then back down to the San Francisco Bay.

Lacey is skeptical, but when Casey shows her a model replica of a famous powerboat, the Hotsy Totsy, Lacey agrees to the thrilling boat race. The Nicefolks' dog, Floopy, also thinks it's a great idea. He just loves wearing goggles and the feeling of fresh air blowing in his face. After pushing the magic lever and wishing with all their might, Casey and Lacey magically create a life-size Hotsy Totsy and are ready to win a boat race! The twins decide the only way to enter the race is by sneaking in the night before. Their plan hits a snag, however, when they encounter the last person they ever wanted to see again: the Boss. Casey and Lacey managed to put the Boss and his henchman behind bars last time, but the Boss is out for revenge and he captures the twins and locks them in a cell on Alcatraz Island. The Boss has recently robbed a bank, and he and his henchman plan to escape with the money and leave Casey and Lacey behind.
