Customer Reviews

The book was exciting and fun and I think it's going to have a lot of 5 star ratings. I want to get the next book in the series.

Personally don't know what it is about, but my 8 year old "Mimecraft fanatic" grandson loved it!

Good but a lot more pictures because what if 3 year olds start to play Minecraft plus we 5-50 people who like pictures won't rate this book all 5 stars.
