Customer Reviews

Finally found the book to review it. I read it in one sitting. Crafty Nichole does it again! Just for the benefit of those folks who read this review and aren't familiar with the Diary of an Angry Alex series: You had best start with Book 1 and follow the story along. Trust me, it's not hard to get hooked on it.

The story focuses on Alex, one of the two default skins/characters in Minecraft. The other, Steve, is Alex's companion in the story. But they don't really get along. Well, just enough to deal with a villain like in this one! Each of the Diary of an Angry Alex is its own adventure. Like Alex plotting to kill Steve, Alex being mad at the villagers, and Alex and Steve meeting an evil Steve clone. Book 6 of the series finds Alex and Steve hiding in a village that they'd help build in a previous story. The village is under-attack by the "anti-Steve" (Herobrine) who's bent on destroying everything, it seems. All the stories are told from Alex's point of view. While both Alex and Steve want to get rid of the bad guy, Alex has mixed feelings about Steve and has often thought of getting rid of him as well. However, Alex is not a bad person at heart; it's just that Steve is really annoying from her point of view. I encourage you to read these stories! They are very funny, and Alex is a likable character despite her flaws and epic failures. Steve is an annoying twerp seen through her eyes, but we know he isn't a bad guy either. Aside from the characters, what will really capture Minecraft fans is how the author skillfully incorporates elements of the game into the story. It will really make you laugh. It's brilliant. I have no suggestions other than Alex - who started out as a novice miner and fighter in Book 1 - should grow more experienced and skillful in later stories. Now I wonder, will there be an "Alex vs. Steve" in the future? :)

Before I begin, I will like to say that this is my FAVORITE Crafty Nicole series. In this exciting chapter of Diary of an Angry Alex, Alex and Steve are trapped in a village that is under siege by Herobrine. They mine their way out to try to escape. After many failed attempts they finally seek shelter in a Ocean Monument. What will happen to them inside the Monument? Will Herobrine find Alex and her companion? Sorry for any spoils, I hope I didn't give away too much. This is (in my opinion) the best series for Crafty Nicole. I like how she puts reviews in her books at the end. I've seen W. Shi "JENN", Power, and Astrocat, which are at the top of my list when it comes to reviewers. (P.S. I hope you three like the compliment) I've read most of your book Nicole and my favorites are: Diary of a minecraft griever, diary of a grumpy villager, and this one. Soâ | Yeah, this is my first review for a Crafty Nichole book (partly because you write so fast and so much. But you're not like Mark Mulle) I hope you keep one writing. (For more reviews by me check out Cube Kid, Calvin Crowther, Luna Lily, and MC Bob.--The guy that starts with an S

This book is awesome and fun, so readers that are looking for an fun adventure with 2 of the main characters in minecraft. Now, this book is about Alex and Steve trapped in a city, and Alex's idea on building an army of iron golems didn't work. Herobrine attacks the village with a wither, and an army of spiders. I'm really sorry if I spoiled any parts of the story for you.
