The Bride (The Lairds' Brides)

Synopsis

By edict of the king, the mighty Scottish laird Alec Kincaid must take an English bride. His choice was Jamie the feisty youngest daughter of Baron Jamison. Alec ached to touch her, to tame her, to possess her forever. But Jamie vowed never to surrender to this highland barbarian. Though his kisses fired her blood, shadowed secrets from Alec's past threatened Jamie's happiness. She brazenly resisted him until one rapturous moment quelled their clash of wills, and something far more dangerous than desire promised to conquer her heart. |

Customer Reviews

SEQUEL: THE WEDDING I have read almost all of Julie Garwood's work and I've never been disappointed. She will always be my all time favorite author esp. in Historical Romance Genre. Upon observation, I do agree with most avid Julie Garwood readers that she tend to use the same characteristics and somewhat similar formulas in most of her works - Her heroes are mostly tall, large-brutish-warrior & intimidating yet handsome who is gentle and patient to his Lady. Meanwhile, the heroines are usually petite, well educated, saucy and spunky. However, I confessed that these familiarities doesn't seem to bother me at all. In fact, I liked it. Every now and then, I do enjoy my books with such characteristics. I'm guessing, this is J.G's style, her mark/her signature traits and I respect that. Humor, heart warming scenes, heart pumping twist and lovable secondary characters are also just a few of Julie Garwood's usual ingredients in all her novels. THE BRIDE is definitely not an exception of Ms. Garwood's standard book qualities which I've mention above. Alec and Jamie's

love story was captivating. Full of warmth and humor - I liked the idea that Jamie has no sense of direction, not to mention her ways of saving Alec's soul by buying an indulgence -chuckle! You have to read the book to appreciate this scene with a good laugh. My favorite part was the initial meeting (the conversation in the stable and the "choosing")... from there, the book gets funnier & even better! The arrival and adjustments in Highland are as always interesting. The suspense of finding out the murderer in this book was an add-on thrill. I have my doubts and guesses but the revelation was quite unexpected.
