Plain Fame (The Plain Fame Series Book 1)

Synopsis

While traveling through Manhattan on the way back to her Amish community, young Amanda Beiler is struck by a limousine. The limo's passenger, Cuban-born superstar Alejandro Diaz, takes responsibility for her injuries and vows to oversee her recovery. Leaving the fame circuit behind, Alejandro returns Amanda to her family in Lititz, Pennsylvania. Desperate for a break from the stress of the spotlight, the famous singer offers to stay on the family farm for a week to help—an offer guardedly accepted by the deeply religious kin who surround and protect Amanda. As different as they are, she and Alejandro find that a genuine friendship begins to blossom, along with the realization that it might be something more. But if the paparazzi get wind of the superstar's whereabouts, will they threaten the peace of the faithful community for a sensational story? And in the glare of an unwelcome spotlight, and with the unexpected feelings between them, can this couple build a lasting bridge between their vastly different worlds? Revised edition: This edition of Plain Fame includes editorial revisions.

Customer Reviews

Sarah Price once again engages her readers in a tender drama that leaves you wondering if two

very different worlds...the Amish and the English can collide and still leave us with beauty. After Alejandro Diaz a famous Cuban singer, crosses paths with Amanda Beiler an Amish girl in the middle of NYC, the beauty begins. Alejandro's world becomes Amanda's, and Amanda seeks her own path in the light of Alejandro. Fantastic and well written....mostly beautiful.

I love this book. Amanda struggles to avoid the temptation that Cuban pop star Alejandro brings to her life. Alejandro also has trouble resisting her. Once again, Sarah Price doesn't disappoint. I can't wait for the next volumes in the series!

If I was reading this in paperback, it would have it might have taken me a little longer to read, but not much more. Great story can't wait for the next book to come out. I CRIED, I laughed, I loved this book. Great job.

Enjoyed very much the first book (PLAIN FAME) but it left me hanging. I need the next book before I forget the first one. (I read a book a day.) This was an entirely different twist on the Amish life and I must learn how it progresses. Why is the complete trilogy not presented for sale at the same time? Very discouraging.

This book was extremely good! It was different from most Amish Romances in that it centered around a young Amish woman that was on her way home to Lititz, PA from Ohio. She had to change trains in NYC. While waiting she decided to cross the street to buy a pair of sunglasses, this is where the story makes a dramatic change. While attempting to cross the street a limousine hits her. This limousine is carrying The Viper, a Cuban Hip Hop artist, that was an internationally known music star. He got out of the car to check on the girl and make sure she wasn't seriously hurt. He stayed with her until the ambulance took her away. Alejandro's world suddenly collides with hers as he visits her daily at the hospital and arranges to take her back to her family in Lititz, PA. What happens next--well I guess you'll have to buy the book to find out!

One of the best Amish books I have ever read. I received this book as a gift for Thanksgiving and could not stop reading it. This author is very well versed in the ways of the Amish, stardom and love. I would love to see this as a romance movie. Patiently awaiting book two!

Amanda is an Amish young woman from Pennsylvania who had gone to Ohio with her sister and in

her return trip home alone, she ended up in New York City and was hit by a limousine as she was crossing the street. The limo belonged to Alejandro, better known as "Viper". Viper is a Latino super star singer who is world renown. Amanda's leg is broken and she ends up in the hospital. Alejandro is completely entranced by this young woman from a completely different world from his own. He returns her home to her parents and asks to stay with them for a week. He is allowed to stay in the "granny unit" attached to their home and he spends time getting to know the Amish ways. Amanda's father treats him like the son he lost when he died several years earlier. Eventually, Alejandro's fame intrudes and he returns to his world of fame. Unfortunately, the media has grabbed onto the story of Alejandro and the sweet Amish girl and instead of leaving with Alejandro, they arrive en masse on Amanda's family farm and won't leave. Amanda is asked to leave by the community's bishop. Where will she go? What will she do? Where will she feel safe? You will have to read the book to find out for yourself. I liked how this story was able to "blend" the ways of the Amish and the way of the English. I liked the pace of the story and way the author brought in the differences between the two cultures without passing judgement allowing the reader to draw their own conclusions. I also appreciated how she described Alejandro's lifestyle without making it the main focus of the story. I was given a free copy of this book in exchange for an honest review.

I enjoy reading Amish stories very much. This one has been one of my favorites. A well written story that keeps you reading. What's ahead for Amanda ? I can hardly wait to see.
