Aloha! (Hello!) Its me,  $\vec{r} = \vec{r} \cdot \vec{r} \vec{r} \cdot \vec{r} \cdot \vec{r} = \vec{r} \cdot \vec{r} = \vec{r} \cdot \vec{r}$ 

I loved it and If you are an angry alex fan you will love it to. It still has the same angry alex humorystic side and has all the exitement.So (like Alex would say), If you don't like this book; $\hat{A}_i$  fall in a hole!  $\infty$   $\uparrow$   $\hat{A}_i$ 

This is really really great book. Then they first come to the end , its just fshing building and like that but when alex finds the wise men, they have to go three quests. After that they adbenture the larger ender city. But then herobrine killed them and stope the treasure! It was a ender dragon egg,.and herobrines gonna spawn another ender dragon! So sje goea yo defeat herobrine but the wise man gves her an etra!How about she goes to herobrine , which he built a kindom ( the lager ender city, where he controled the sukuers but to hatch the ender dragon, it needs three ingredments. A potion of minecraft, the alpha sword, and the apple of power. So she have to stop herobrine finding at lwast one ingredements!

It's funny how I don't need WiFi to write reviews.ANYWAYZThis book, as always, was just hilarious. If you like hilarious, get this book. But I'd recommend getting the first book first, and reading the whole series. It will let you understand some things that aren't exactly explained in this book.But you'll laugh even if you didn't read the other books. While I was reading this, my friend was reading it too. He hasn't seen the rest of the series, but he laughed. Alot. I recommend it to every single person reading this :DIn this book the trio (Steve, Herobrine and Alex) move to the end.... and (SPOILER ALERT) Hero-no-brain tricks them! The boys are jerks and idiots at the same time and it looks like its the first time they join Minecraft....Anyway it ends with a small cliffhanger SPOILER ALERT as Hero-no-brain gets an ender dragon egg! Nuuu!Anyway, cant wait till May 14th!Owlfeatherr

the best book yet its so amazjng!! Alax is so funny when i read it i literly almost fell out of my chair laughing it also gave me information about the elytra at first i didnt know how to move but then i learned how to move by this book!! Plz forgive any spelling mastakes because my mom and dad wont let me get a new kindle sol im stuch with this one! :( i cant wait for the 13 book to come out!!!!! Sorry im writing this book alittyle bit late. :p My mknecraft name is Alpha44, or my real life name iks harper miller!!
