i love these books and hope that alex kills steve and hero brine he is annoying maybe she sould escape find steve in his dimond block house he made after giting diamonds she breaks his house and sets his bed on fire and leaves a sign that says steve you need to fall into a hole and alex flips a switch that where steve was a trapdoor opens and he falls into a hole and then below is hero brine and steve dies and spans at his spawn point where there is a obsidian room so he cant get out and then alex kills hero brine with a lava buket and says haaaaa heha (donky laugh) the end but that is just a suggestion not a request the end ----Zachary Ln

Hi there! I would just like to say that ... this book was awesome! I love reading the Angry Alex books! They are so funny and I can't wait for number 9! :-p I have a suggestion. Can you have Alex make friends with some people at the anger management place and have then try to break out or something? Also, you could have Alex's evil laugh attract silverfish (since she died 'cause of them). I hope that you with think of my suggestion. Bye! ;-)- Nerdy_princess (minecraft username)

i love this book!!! I think steve and herobrine should both get a anvil to the head.I love the way crafty Nicole added the parts when alex got hit on the head with a stick or log or anvil that made the story very funny. Thank you crafty Nicole for adding my name it to the list awesome reviewers. I think YOU should TOTALLY read this book. :) -lvy

I love this book and I am excited for the next one. Will Alex get fire eyes? Will she defeat Herobrine or/and Steve? Will she live by herself in a hole while planning to blow up the world? Can I stop asking questions? Maybe, but I am waiting to figure out what happens next!!!! Please make 9 very soon!!!

Hi. This book was really good and creative. Also, I have a suggestion. Can u make a book based of of a guilty hacker. The hacker shoud be guilty from the reactions other people he hacks on minecraft.Then someone else hacks him and..... u decide what happens next. and thx for reading my review and bye!
