Instant Immersion Spanish Advanced: "New & Improved!" (Topics Entertainment-Languages (CD))

Synopsis

Based on the highly effective Euro Method®; (an intuitive approach that surrounds you with native speakers and a new culture), New and Improved! Instant Immersion®; Spanish Advanced provides authentic dialogue and traditional settings that immerse you in the Spanish language and lifestyle. Written and developed by university professors and linguistic experts, each lesson in this 8-CD suite utilizes the same learning methods and retention techniques used in university-level language programs. The lesson plan is designed to build a solid collection of vocabulary terms and more advanced dialogue skills, all of which are reinforced throughout each advancing lesson. You will quickly move from an intermediate speaking level to an advanced level with easy-to-follow activities on everything from family and secular traditions to adjectives and past tense usage. Additionally, the cultural notes provide you with an inside glimpse of Spanish customs, and introduce proper etiquette appropriate to various situations. Whether learning for business or for pleasure, you'll quickly perfect your Spanish with Instant Immersion®;. The Quickest way to learn a language, guaranteed! The most widely used method in the world! Written and Developed by University Language Experts! Designed to strengthen your fluency by emulating everyday situations you may experience while in a foreign country, the Instant Immersion Advanced Spanish course fully prepares you for interaction among native Spanish speakers. Developed by university professors and linguistic experts, this thorough curriculum moves you from an intermediate to advanced level, fast. Starting with a complete review of essential vocabulary terms and verbs, this 8-compact disc suite focuses on building a strong vocabulary base before addressing more complex dialogue skills. Each advancing CD includes concepts from the previous lessons, ensuring you retain each core principle. In addition, the cultural notes familiarize you with ethnic foods, Spanish traditions, and appropriate etiquette that will benefit you while traveling. From vocabulary about family and professions to phrases concerning entertainment and religious traditions, the Instant Immersion Advanced Spanish suite is the quickest and easiest course available for learning to fluently speak the Spanish language. Lesson Plan includes: CD 1: Family, moods, corresponding verbs CD 2: Vocations, indirect object pronouns, likes and dislikes CD 3: Entertainment, listening comprehension CD 4: Household items, negative and positive command form CD 5: Religious, corresponding verbs CD 6: Downtown vocabulary, listening comprehension CD 7: Banking vocabulary CD 8: The human body, medical information

Customer Reviews

When searching for products for more Advanced language learning, I am always amazed at the dearth of products available. It is always easy to find beginner products of all shapes and sizes, advanced products are much trickier. I believe that this cd is a good INTERMEDIATE tool for anyone who has been studying for 6 months to 4 years. Obviously it will depend on how far you have advanced in that time. You should at least be familiar with future tense verb constructions, preterit and imperfect verb constructions and pronouns. This 8 audio cd set is great for intermediate learners of Spanish. I have been studying for 4 years, and I might be a little too advanced for this product, but I am still learning something, and the exercises on the cds are a nice review. It is better than nothing in the car. Each of the cd lessons covers a certain topic, family, professions etc. For each cd there is vocabulary relating the topic, a grammar lesson or two, questions and answers, and a longer audio comprehension section that lets you listen to a conversation with translation, then without translation, and then asks you questions about the conversation, in Spanish of course. There is less of the translation 'word for word' in English of everything said on the cds, so this is definitely for more advanced users. I also like the fact that the lessons are topical, thus facilitating learning. One interesting feature is that this CD included the "vosotros" or third person plural familiar usage. This verb form is used in Spain and many language products will simply leave it out, as it is not used south of the U.S. border. I only give it 4 stars instead of 5, because I believe that it should say "Intermediate Spanish" instead of "Advanced".

This is Anna Rivera editor of the Learning Spanish Products Reviews site and author of Anna

Rivera's 1000 Plus Most Powerful Spanish Words (Spanish Edition) and Anna Rivera's 800 Plus Most Powerful Spanish Phrases (Spanish Edition). Although this course has the word "Advanced" in its title. I would not consider it 100% for advanced students. On the first CD you learn words such as "el hijo" and "la hermana" and "el tio." These are definitely not the type of vocabulary words that an advanced student is looking to learn. These are vocabulary words for a beginner. However, on the second CD the pace is picked up somewhat and more complicated vocabulary phrases are introduced. Some true and false quizzes are presented in Spanish. These may be helpful quizzes to improve listening comprehension. One negative point of this course is that it does not cover colloquial or everyday conversational Spanish. I say that because the course teaches words such as "la madre" and "el padre," instead of "mama" and "papa." By the way, I intentionally omit accent marks from my reviews because they sometimes appear as strange looking characters in my reviews. If you are a beginner student of Spanish approaching the intermediate level or if you are an intermediate level student, you may also find this course helpful. This course is so reasonably priced and you can also study with this course while on-the-go.
