Spanish II, Grades 6 - 8 (Skill Builders)

Synopsis

Skill Builders are great tools for keeping children current during the school year or preparing them for the next grade level. A variety of fun and challenging activities provides students with practice and helps introduce basic skills to new learners. This full-color workbook contains appropriate passages and exercises for middle school Spanish language learners. Skill Builders combines entertaining and interactive activities with eye-catching graphics to make learning and reviewing fun and effective. The compact 6" x 9" size makes this book perfect for school, at home, or on the go. It features 80 perforated, reproducible pages and an answer key.

Grade Level: 6 - 8

Customer Reviews

These are small, thin, pamphlet size books. I was expecting a large workbook like the ones you find at Sam's club or Costco. They sell the PDF version on their website, which would be more productive than this.

Nice overview for every day Spanish and adequate for middle schoolers. Mini tests are nice review. I found it very helpful for my niece who is learning Spanish.

I studied Spanish in school and now live in a border state. This has been an excellent review for me.

and is a simplified way to learn the verbs necessary to converse in the language.

Grandson is finding that these help him

Awesome book! Easy to understand and also it is fun .I have been teaching Spanish with books I and II and at the end kids are able to communicate in Spanish .

It is a well written book. We just need a lot more practice to ever be near perfect!

I have all four of these books. They are a nice series to use.

Needed for highschool class. Exactly as needed.
