# The Calhoun Women: Suzanna & Megan: Suzanna's Surrender, Megan's Mate

## Synopsis

Revisit the unforgettable Calhoun sisters in these two classic stories about love and family from #1 New York Times bestselling author Nora Roberts. Suzanna's Surrender Burned-out and tired as hell, the only thing ex-cop Holt Bradford wanted to do was relax. But when beautiful single mom Suzanna invaded his solitude to search for the missing Calhoun emeralds, he couldn't say no. Holt was no longer the bad-boy teen Suzanna remembered. He'd grown into a dangerously sexy man—all the more reason to keep a safe distance. Suzanna wouldn't risk her well-ordered life for a man who could make her mouth go dry with a simple glance. Megan's Mate Calhoun sister-in-law Megan O'Riley and her young son have traveled far to become the Towers' newest residents and begin a fresh chapter in their lives. Cool as an Atlantic breeze, Megan buried her passions deep and vowed never to let her heart lead her astray again. But when boat captain Nate Fury set his course for her, not even Megan's toughest resistance could divert him. The practical lady seemed destined to be swept away by the rugged seaman's formidable charm....

## Customer Reviews

Suzanna's Surrender Rating 1.5 [Some sexual content, none graphic](#) Stand alone read. 4th book in The Calhouns series DISAPPOINTING. Well written, interesting paranormal storyline, suspenseful mystery, strong characters, good family theme, and a vicious villain. HOWEVER, the hero is a male chauvinistic bully; he grabs the heroine, carries her to the bedroom while she struggles and swears, tells her he's tired of waiting, restrains her, and won't

take NO for an answer. That, by definition is not romance, itâ™s rape, which is offensive and leaves an unpleasant taste in your mouth. THE STORY follows a local landscaper, divorcee, and mother of two, Suzanna Calhoun Dumout, and burned-out, ex-cop, Holt Bradford. As âœThe Calhounâ•series continues the family is still searching for their great-grandmotherâ™s legendary emeralds, hidden by Suzannaâ™s grandmother, Bianca, before her unexplained suicide. As the story unfolds, Suzanna approaches Holt to ask if he remembers anything his grandfather said about Bianca before her death. Holt just wants to be left alone, however as Suzanna presses him, forgotten memories resurface, his cop-instincts kick into investigation mode, and he becomes as determined as the Calhouns to find the emeralds. As Holt and Suzanna continue the search, he realizes the same murderous thief in a new disguise, is still after the emeralds which puts Suzanna at risk. He is determined to protect her but despite Suzannaâ™s smarts and independent spirit, she falls into the psychoâ™s clutches and Holt must come to her rescue. OVERALL, Skip It! Well written, but Holt is a bully until nearly the end, so it is hard to feel the romance.
