# Winds Of Change: Island Of Flowers, Untamed

## Synopsis

From #1 New York Times Bestselling Author Nora Roberts come two classics about not letting your best-laid plans get in the way of life or love. *Island of Flowers*: Laine Simmons has travelled halfway around the world to make amends with her estranged father, not defend herself against his infuriating business partner. Dillon O'Brian seems convinced that Laine is only after her father's money. Well, if he wants to believe that, fine! She wants nothing to do with the arrogant, judgmental and very sexy Mr. O'Brian anyway. But try as she might, Laine can't get Dillon out of her head or her heart. *Untamed*: Straitlaced lawyer Keane Prescott has no interest in his late father's circus, until he meets lion tamer Jovilette Wilder. Jo is unlike any woman he's ever met. She's beautiful, graceful, fearless and about as unpredictable as the animals she tames. Keane knows there's no way she'd fit into his life, yet all it takes is just one kiss and suddenly running away to join the circus seems like the best idea he's ever had!

## Customer Reviews

First, "Untamed": it was an interesting story; typical Nora Roberts, not her best, but definitely not her worst. I enjoyed it while driving on a long trip. But I must say: I couldn't even listen to "Island of Flowers"! The reader sounds like she is sick and in the hospital, trying to tell this story before she dies! And if that was the case, I'm sorry .... but they should have found a reader who wasn't ill! I tried, but I only could stand about 10 minutes of the whiny, exhausted voice reading the story! I am not exaggerating... I truly could not stand to listen to it. I actually listened to another book again on the return drive rather than listen to this one. It's the worst audio book I ever bought.

Romance, romance, romance. Okay to listen to as a CD, but I wouldn't have finished reading it in print format. But then, I'm not very fond of the romance genre.

Wonderful read (I purchased the audio book and it did make my ride so enjoyable).

I enjoyed this series of two stories pretty well. I was disappointed in the second story in that I felt it was not as well-developed as the first.

enjoyed it very much. two stories for the price of one. nora Roberts always does a very good job. thanks.
