The Waves

Synopsis

Six children - Bernard, Susan, Rhoda, Neville, Jinny and Louis - meet in a garden close to the sea, their voices sounding over the constant echo of the waves that roll back and forth from the shore. The book follows them as they develop from childhood to maturity and follow different passions and ambitions; their voices are interspersed with interludes from the timeless and unifying chorus of nature. Widely regarded as one of Woolf's greatest and most original works, *The Waves* conveys the rhythms of life in synchrony with the cycle of nature and the passage of time. This recording is unabridged. Typically abridged audiobooks are not more than 60% of the author's work and as low as 30% with characters and plotlines removed.

Book Information

Audio CD

Publisher: Whole Story Audio Books; Unabridged edition (December 1, 2013)

Language: English

ISBN-10: 1471250504

ISBN-13: 978-1471250507

Product Dimensions: 5.8 x 1 x 5.2 inches

Shipping Weight: 5.6 ounces
