I have read the whole series, great book :) I really think that you should make it into one big book. I would buy it. Thanks for the great book! Oh, and if you haven't bought this yet, BUY IT it's really good. (P.S., read the first 2 before this one)

I loved this book. IT. WAS. SO. CUTE. I loved "Diary, of a lucky minecraft chicken" that story was so cute! So if you like funny or happy stories, go ahead and read "Diary of a minecraft chicken!"

[written by my son] I liked it. It was very good, and there were subtle but, still connections. It was also decently long. My favorite was spoiler alert diary of a minecraft witch

They are all very funny and interesting. My brother loves them as well, normally he hates minecraft. We both would love it if the books were illustrated and combined.

I liked this book. It was good. It had quite a few errors though. Illustrations would be a great addition to the book. I recommend for children that like minecraft.
