Customer Reviews

This dictionary is excellent for kids! I checked it out brand new from my local public library, and knew instantly that I would have to own a copy for all time. I refer to it for great ideas on how to present information to the beginning French class I teach to ages 10-15, and I plan to let my kids refer to it as they are learning French as well!

real modern french language.Simple, short, nice and efficient.It keep the interest awake !To use with a teacher to help for the pronunciation.

I tutor a 10 year old who finds this dictionary fun and easy to use! I'd like more products and tools

for tutoring at the 5th and 6th grade level.
