#### Customer Reviews

"Reflections and Dreams" contains two of Nora Roberts' older works, "Reflections" and "Dance of Dreams." Both these books are set in the fascinating and demanding world of ballet. I want to make a note here to people who complain that this is a reprint . . . it is clearly marked that these are two of Nora's older works that have been repackaged. This is done for the benefit of people like me who have only recently discovered this exceptional author. It does not say "first time in print" as all of her new books do, and I personally think that finding these older books is like finding a wonderful gift. So to avoid any confusion, just make sure that you check the copyright dates before you buy a book if you do not want to buy a previously published one. Anyway, these two books were great! The first

book introduces Lindsay Dunne. Lindsay is an extremely talented ballerina, but she has left the spotlight and returned home to care for her mother after a debilitating accident. Lindsay keeps busy teaching dance and caring for her mother. Seth Bannion, a famous architect, arrives in town with his recently orphaned niece, Ruth. Seth and Lindsay create all kinds of sparks when they are together, not all of them good, but they both find each other irresistible! Ruth begins ballet lessons with Lindsay, and Lindsay immediately recognizes her incredible talent. As Lindsay tries to convince Seth that Ruth needs to go away to dance school it creates a rift between them that may ultimately tear them apart!This is a wonderful story of finding love and following your dreams.The second book meets up with Ruth several years later, dancing at one of the best dance companies in the country with her mentor and Lindsay's former partner, Nick Davidov.
