Customer Reviews

From all the characters the only ones living a decent life was Edem and Ruthie. The rest were crazy off the hook with their bad behavior. How can they be church leaders with such behavior of cheating on their wives. "Men of God" having sex with everyone on sight and get these other women pregnant. The wives putting up with their cheating ways and bad behavior. Claiming for Jesus to change these men. Really? The only one that was a true man of God was Edem. All the others were lunatic characters including Lilith that is still fighting over a man that did care for her and that is even

dead. How much a woman can disrespect herself for a man. But I must admit even though it's a messy story the plot is well developed and each character was well define

This one is so exciting from the beginning too the end! I will continue to read other books by Faith . I brought this one yesterday afternoon and I finished today. In a few hours while relaxing. Onto the next one! GREAT JOB!

The song says that trouble don't last always but it's hard to believe that when I comes to the Blanks family. Just when you think everything is on the up & up, it's out of the frying pan, into the fire!!! Guaranteed to leave you speechless.

This book was excellent it put you in the mindset of real life situations. It was also allowing the reader to connect with the characters in the book. You grew to love them or hate them but you related to them

What I like about this book is the profound use of Bible scriptures. This writer gives an inside view of the church and clearly lets you know that pastors are men and woman of flesh and blood. They make mistakes too!

Faith did her thang. This series is crazy (in a good way) I am hooked on the Church Whore. The characters are well developed and I can't wait for the next installment.No spoilers.LORE

Awesome Book! Faith, this was a page turner, I read both books in two days. Well developed plot and characters, patiently waiting for book 3

You go girl ! You are on to something , keep on pushing on and I will pray that God continues to bless your talent! Your book gives us insight to how the devil can truly ruin lives
