# Cross Among The Tomahawks

## Synopsis

A young Huron boy, Tsiko and his friend Satouta meet Father Jean de Brebeuf and begin a journey that will change his life. As Tsiko grows into manhood, he accepts Christianity and witnesses the painful destruction of his people by the constant and vicious attacks by the neighboring Iroquois. Set in the mid 1600s, this story paints a vivid picture of the Canadian Jesuit missionaries and their patient work with the peaceful Huron people.

## Book Information

Paperback: 172 pages

Publisher: Hillside Education (February 4, 2011)

Language: English

ISBN-10: 0983180024

## Customer Reviews

Saint Jean de Brebeuf--also known as Echon--is one of my all-time favorite saints. A towering, masculine figure, he was also a world-class linguist of his time as well as a man of incredible courage and sanctity. So when I received this little book, I was psyched. I was also a little nervous--would a fictional account for younger readers do justice to this amazing model of Christian manhood? I needn't have feared. *Cross Among the Tomahawks* is a well-written and engrossing tale of the period of first contact between the pagan Indian tribes of the Saint Lawrence valley and the Christian French missionaries. Centering on the life of a young Huron named Tsiko, the tale is fast-moving and engaging. Having studied the Jesuit Relations of the Canadian missions in great detail, I can confirm that the history is accurate, making this a great introduction for young readers to the era of exploration and the early missions. The lives and deaths of many of the Jesuit martyrs are described, and the author does not shy away from an account of the awful, though triumphant martyrdom of Brebeuf, sparing little detail. My criticisms of this book are both very minor: I thought

the dialog could have been more artfully executed. One of the most delightful things about the Jesuit Relations are the conversations the Jesuits record between themselves and the Indians. Lomask seems to have missed some of this. Also, I found Lomask's portrayal of Charles Huault de Montmagny to be unnecessarily critical. "Great Mountain" was a much more impressive historical figure than Lomask presents. But these small faults aside, this reprint of a book originally published in 1961 is fantastic introduction to early colonial history and a fine account of the exemplary life and death of Jean de Brebeuf--a saint for all the ages.

Great historical fiction interesting for all ages 8 and up.

really good book! loved it!
