# His Last Hope: A Contemporary Christian Romance

## Synopsis

\*\*\*WINNER! Christian Small Publisher's 2016 BOOK OF THE YEAR - ROMANCE\*\*\* \*\*\*Nominee - 2016 Reward of Novel Excellence (RONE) Award - Inspirational\*\*\*It's a nightmare from which she can't seem to wake up. With no name, no memory and no identification, she can only answer to the name given to her "Hope. In the hospital, she is befriended by an older woman who becomes her lifeline, but even Aunt Ruby is stunned when Hope shares the mysterious circumstances of her amnesia and the unexpected complication: she's pregnant. When Professor Daniel Donahue returns to Florida from teaching abroad, he's suspicious of the stranger now living with his beloved aunt. He makes it his mission to discredit Hope and disclose what he believes are her devious intentions. Hope can't help but feel the tension between them, but just below the surface lies an attraction neither of them can explain. With each passing day, Daniel finds it harder to deny his growing feelings, but before he can acknowledge them, he must face the pain of his past and resolve his issues with God. Can he lay his heart on the line, never knowing if someone else is out there, ready to reclaim his new-found Hope?

## Customer Reviews

There times when you read a story and you know that God has touched the pen of the writer, His Last Hope is one of those stories. Beautifully written, showing God's love for His people. Even though we may go through tragedy, pain, suffering and lost His love never fails. God's arms are open waiting for us to fall into them; His Last Hope communicated this message beautifully. We all need an Aunt Ruby in our lives, this character was amazing. I love how she trusted in God and how she showed her love for Him. What can I say about Ryan? He knew his role as the priest of his home. Jasmine was a breath of fresh air and I really enjoyed how she wrote her feelings out in her journal. Hope, strong even though afraid of what the future may hold. Daniel, broken but determined to not let the past hold him hostage. You will have to read this story to see what happens to these characters and how God uses them.

This was my first read by M.A. Malcolm. I was hooked from the moment I read the blurb on .Hope wakes up in the hospital with amnesia. She has no recollection of who she is or where she comes from. To add to the immense confusion, she's pregnant. That was enough for me to pick up the read and it propelled me forward to the end. Hope is befriended by 73yr old "Aunt Ruby." She welcomes Hope into her home while Hope works through her memory and life trying to remember. She butts heads with Aunt Ruby's nephew, Daniel Donahue. Daniel has a tragic past and it is the reason he can't see past Hope's supposed circumstances. This book dealt with a myriad of issues. And through every issue, Ms. Malcolm handled it with the wisdom of God. The characters were stretched, their faith tested, and in the end, they recognized God's goodness. It's an excellent read and I recommend it to everyone

As an avid reader I must admit that this is one of the most captivating and Inspiring books that I have read in years. By the time I was through with the epilogue I couldn't wait to see how the story would unfold. The characters were well developed, the imagery was awesome, I felt like I was Allistair Bay and could see everything that was happening. The most interesting thing for me was that the story was unpredictable; as it unfolded I yearned to get to the next chapter to see what would happen next. The storyline/plot was well developed and climaxed at the right time. The Biblical references were timely and although the book is fictional, the message spoke directly to my soul and was a constant reminder of God's awesome power. I have never read a book that had so much spiritual, life changing and fictional balance at the same time. This was a story of love, redemption, salvation and forgiveness. I gave this book five stars for being captivating, inspiring, well-written, thought-provoking and relevant. I would recommend "His Last Hope" to everyone,

especially those who desire to be reminded of God's awesome power, love, grace and those who need a breakthrough from any chains that seek to hold them captive or those who would just like to read an inspiring love story.

I absolutely loved this book! I am not an avid reader of Christian romance but I read it from time to time. The author did a great job with character development and each character actually had a purpose in this story. The overall message (to me) is that knowing and believing God's love and his faithfulness will prepare you for your journey through the valley. You will have nothing to fear!

I love to read and I read widely from JD Robb to Karen Kingsbury, but His Last Hope, was a masterpiece. The characters come alive from the get-go. You feel interwoven between the pages. You laugh, you cry, you ponder on bible verses and most of all, you start sharing parts of the book with others as you read. Beautifully penned, faithfully delivered. To God be the glory. So proud of you Marsha.

To be honest, the first part of His Last Hope had me sort of dazed...a pregnant woman killed, so I reread it again. When I truly buckled down in this book, I enjoyed it! Daniel was the true example of a man who harbored unforgiveness in his heart. His being robbed years of happiness and joy was definitely a prime example for those who allow the enemy, the hurt, and the ones who did something that warrants forgiving to barricade their hearts against forgiving. Then there was Hope.....whom I figured had to be an intelligent woman in her post amnesia life because she was so precise in her thoughts. I could never imagine losing my memory but tragic events can rob you of your life, if you let them. When I read a book that's worthy of being an aid in counseling, I don't mind saying it....and this is one of those books! I'd share His Last Hope with any woman or man who has lost a child, experienced the death of a mate, or even been betrayed by a mate. Malcolm did an excellent job and I'm definitely looking forward to reading what's in store for Daniel & His Last Hope!

It took me a while to get into this book, but once I did, I found it difficult to put it down. Without giving away any spoilers, I must say that His Last Hope brought up feelings and memories I was trying to suppress. It is a story of faith and hope, and reminded me that when you can't trace God's hand, you must trust his heart. A hard lesson at times, but one we must all learn. I hope the sentiments here will reach others in a phenomenal way. Thank you, Mrs. Malcolm for sharing your story in such a touching and heartfelt manner. I've heard rumors of a sequel or prequel, and I am looking forward to

it.PS: the four stars is because it started off slow, and was a bit slow in getting to the good bits :)
